Students Enjoy Beautiful Weather During Busy Fall Season

Busy fall days are centered around the IHS campus. Each student's heavy schedule is lightened by the beautiful autumn weather.

The architectural beauty of patios equals the peaceful repose of autumn days.

Homecoming mums, poster contest, class floats, reigning queen and her court, and the parade are the high points of homecoming.

From the moment the separate classes begin work on their floats until the last song is spun at the Homecoming Dance, following the game, the zeal of excitement continues to be felt by all as it was throughout homecoming week.

Homecoming Queen

This year's winning float was the junior's, "Sneak Prevue". The sophomore float, "Tigers Move", won second and the senior float, "Time For Axshun", placed third. The car contest was won by the D.E. Club. The prize for the best homecoming poster was awarded to Mike Faulkner.

Big IRVI and Friends

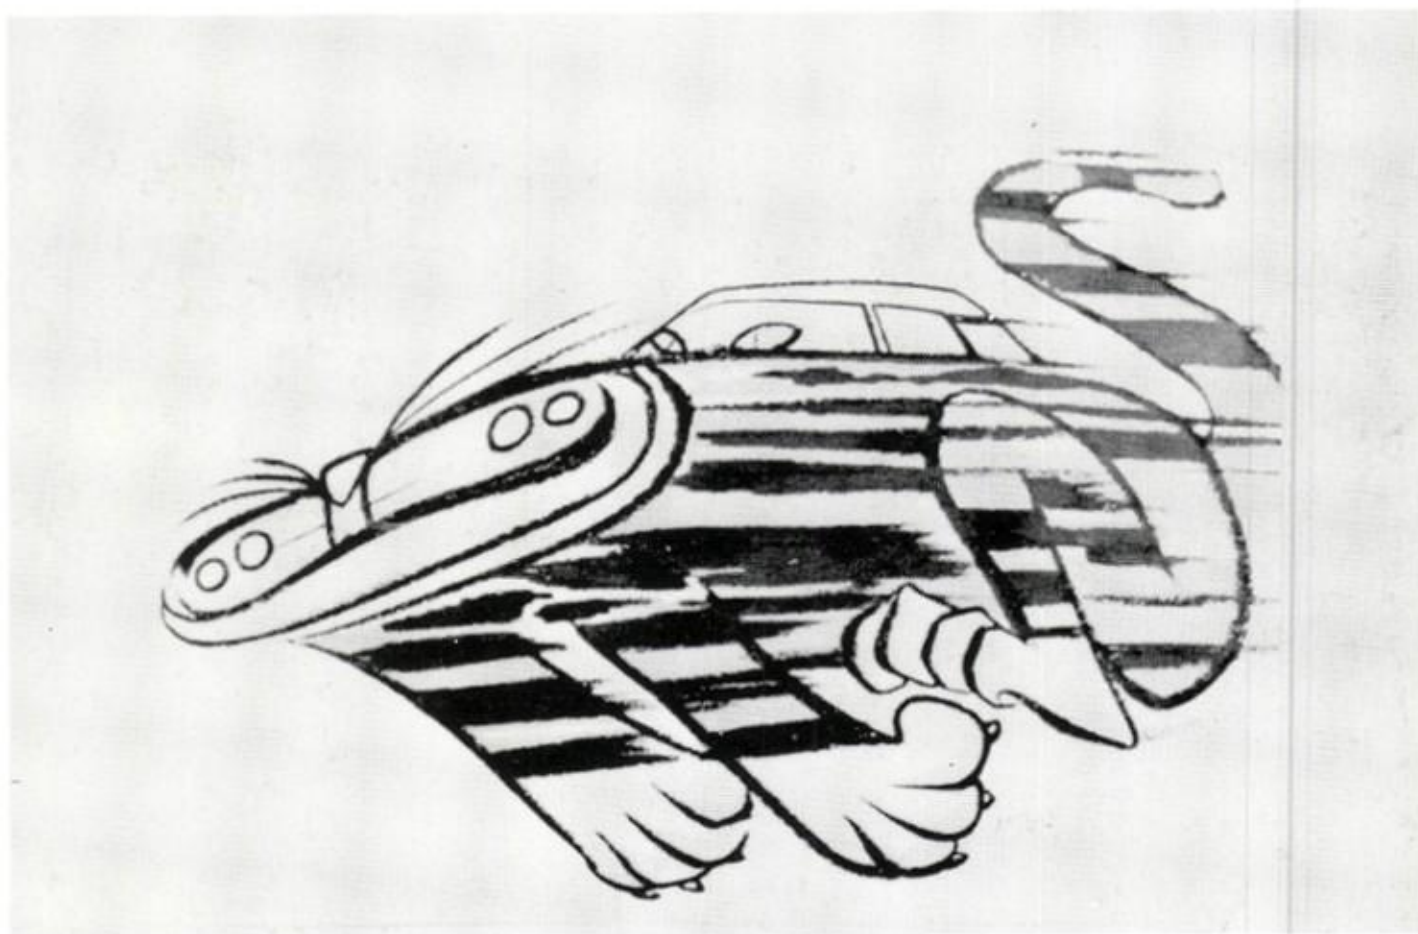

Go Tigers!

Madison Avenue admen have this year 'the year of the tiger.' But at Irving High every year is "the year of the tiger."

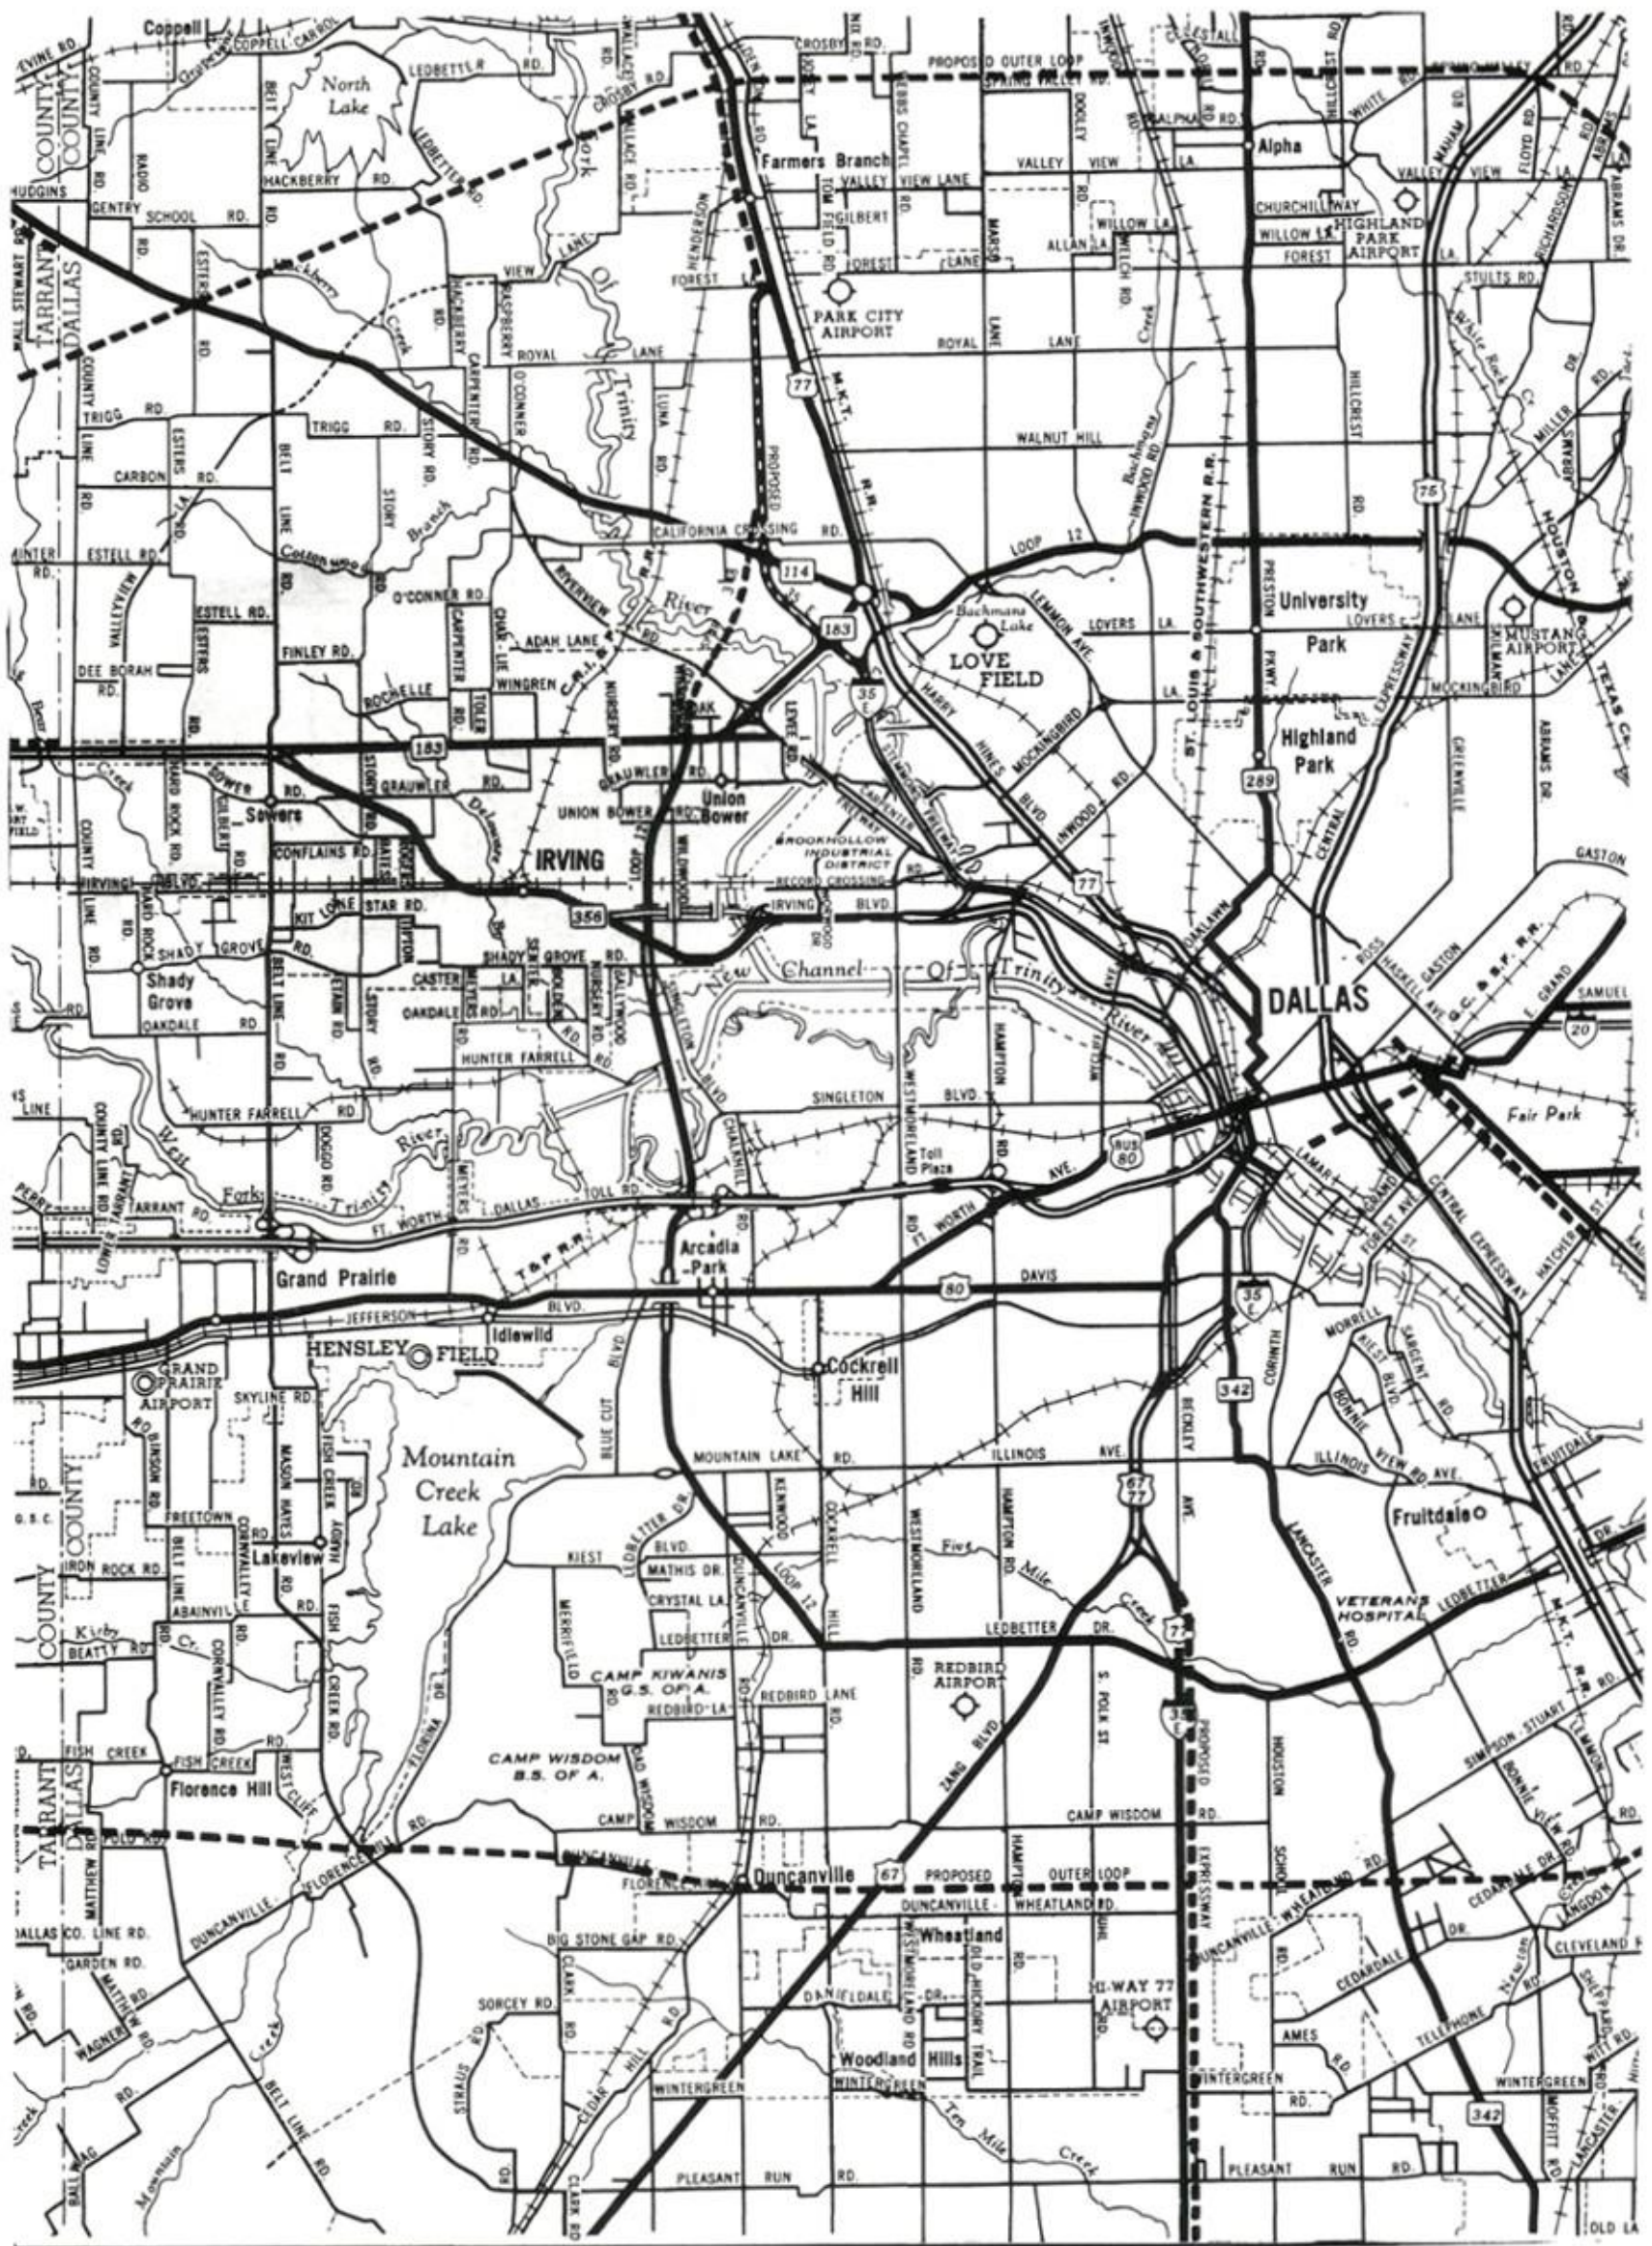

We're tigers all! And tigers are going places, even Big Irvi. He walked through the yearbook.

By choosing GO TIGERS as the predominate idea for the yearbook, the staff salutes not only our athletic teams, but all Irving High School students.

The '65 LAIR records in words and pictures the year's activities of 3,145 tigers.

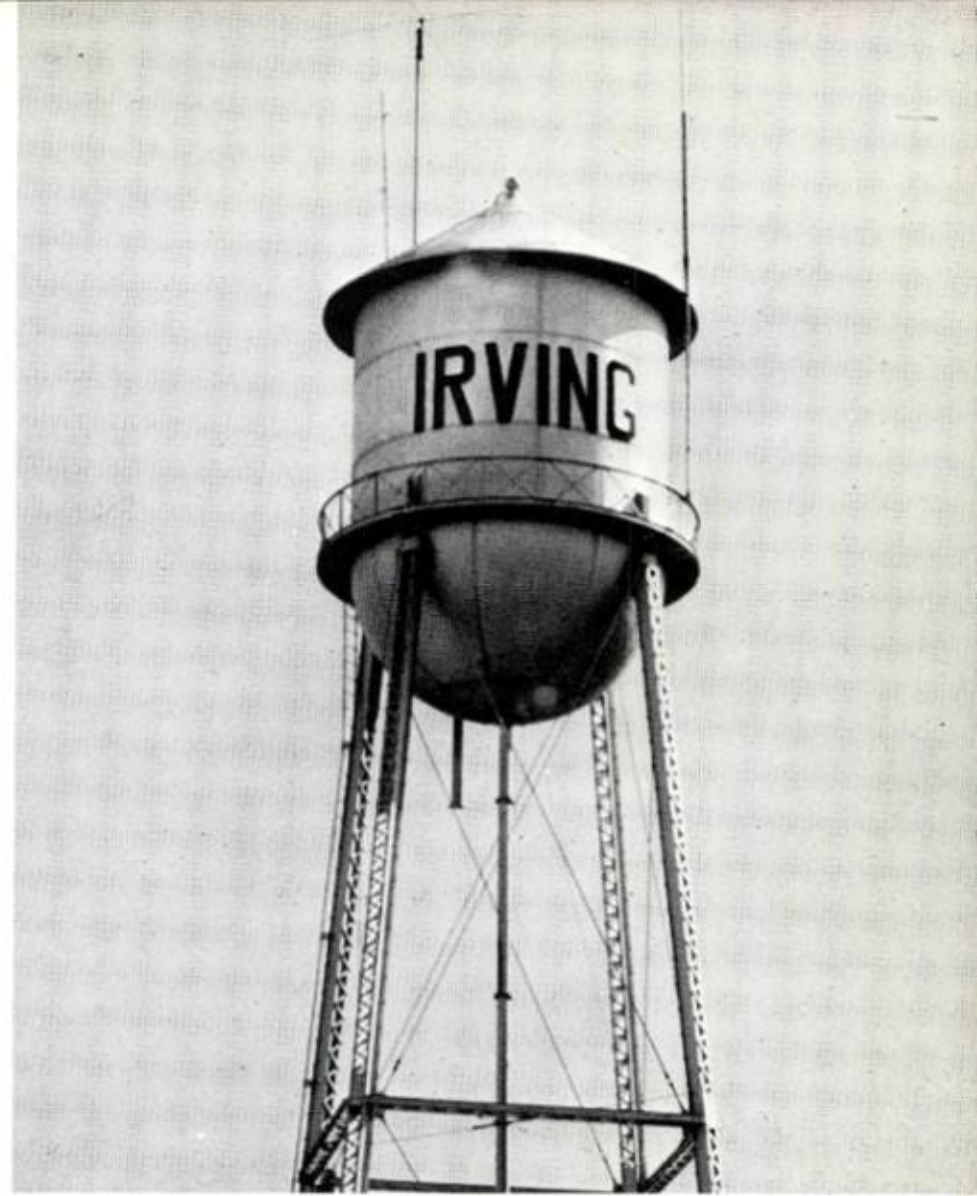

This is Irving . . .

The city of Irving was founded in 1903 by two civil engineers, Otis Brown and C. P. Shultz. It has grown from a small community of 2,500 in 1940 to over 73,000 now; it has been predicted that in 1970 the population will reach 100,000.

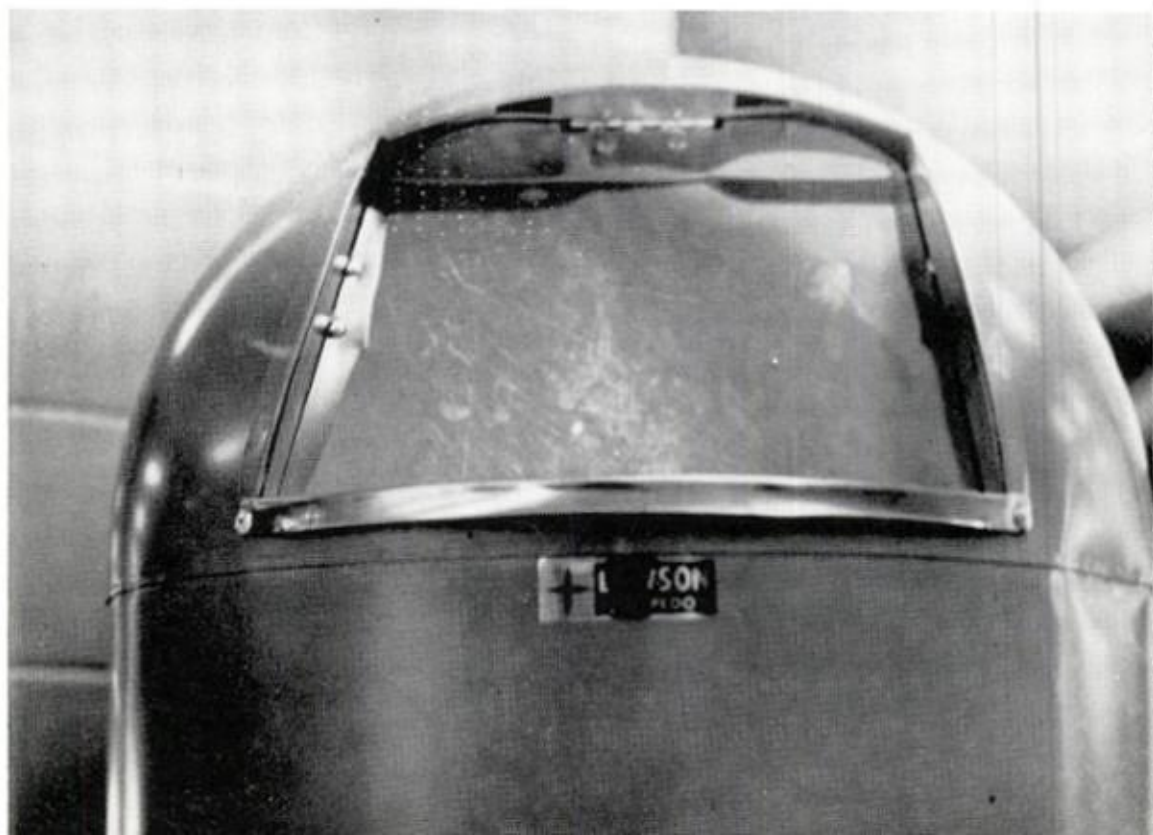

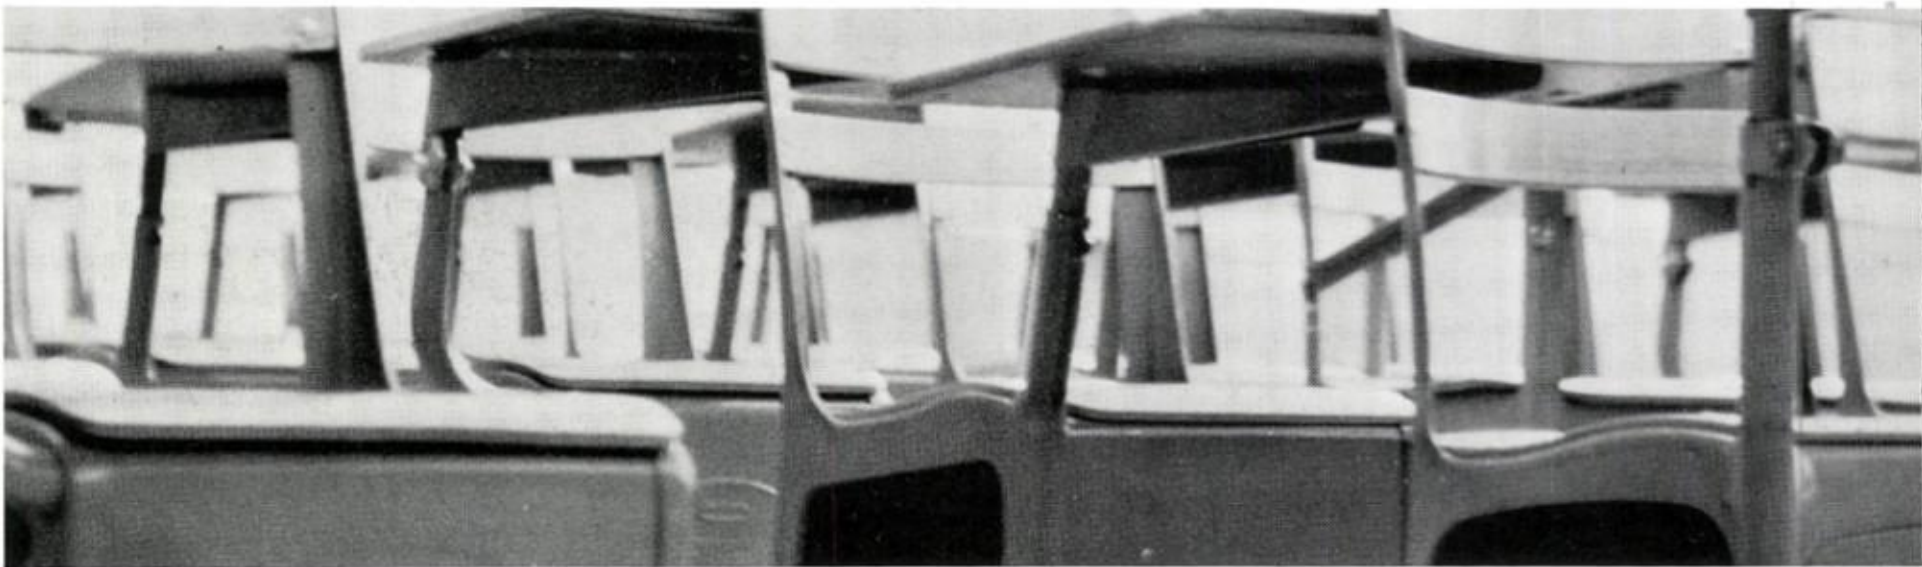

Irving has over seventy churches and a school system unexcelled anywhere, consisting of fifteen elementaries, two junior highs, and a three million dollar high school—IHS. Another high school, a junior high, and several elementary schools are under construction.

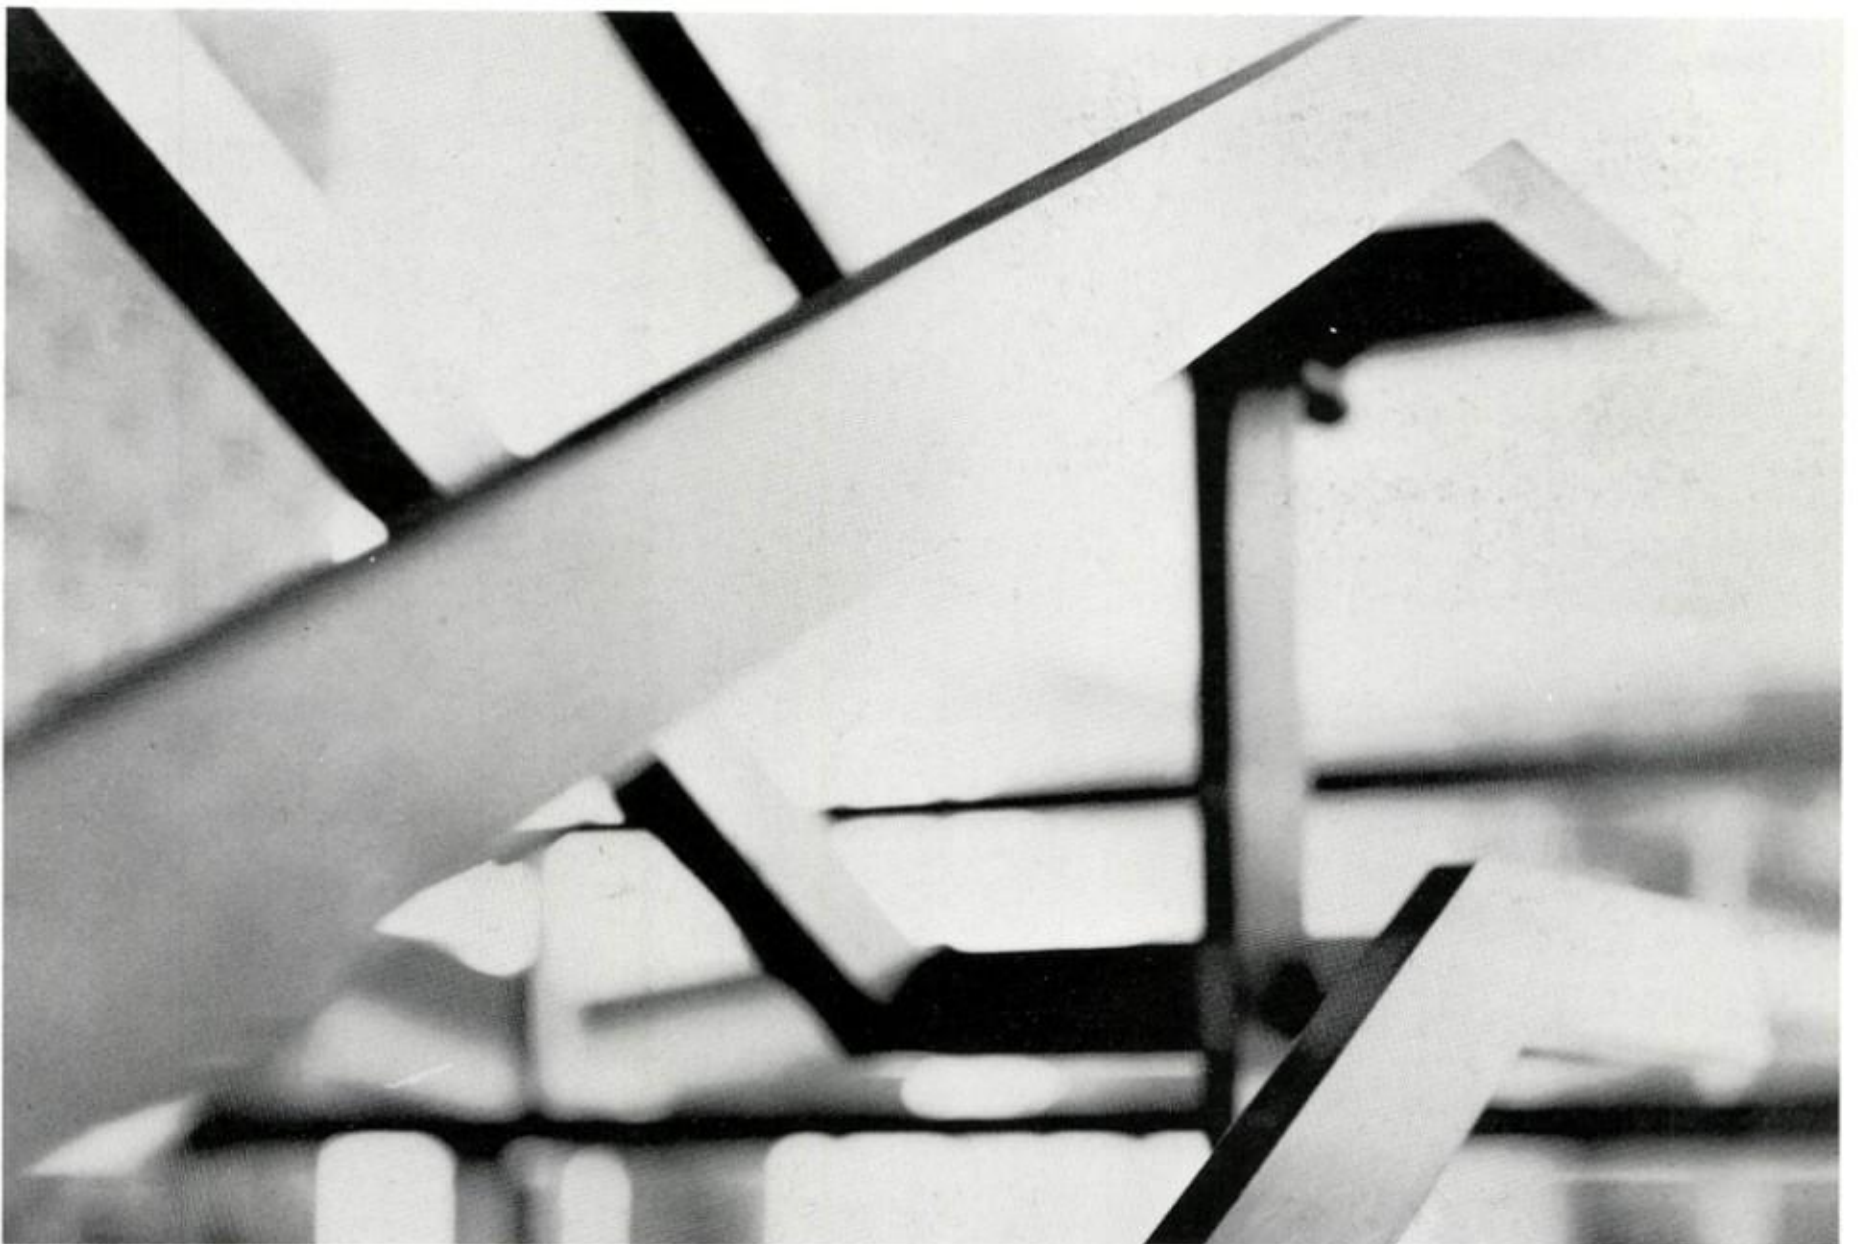

Irving is located equidistant (5 miles) between Dallas' Love Field and Greater Southwest International Airport, and is located on three major state highways: State Highway 183, 356, and 114 traversing the northern city limits.

In other words, Irving is a city ideally located in the heart of the Metropolitan Dallas-Fort Worth area, with over a three billion dollar yearly market—and best of all a good place to live.

Enrollment Reaches All-time High

In September 3,145 students came to fill the rooms of Irving High. The greatest number ever under the seven acres of IHS roof, these students were guided by 140 teachers and professional employees.

During the first few days of school, most IHS'ers just took it easy; however, a drastic change was soon noted as they began the routine of homework and tests.

Although they walked through crowded halls, students enjoyed the most modern of school facilities.

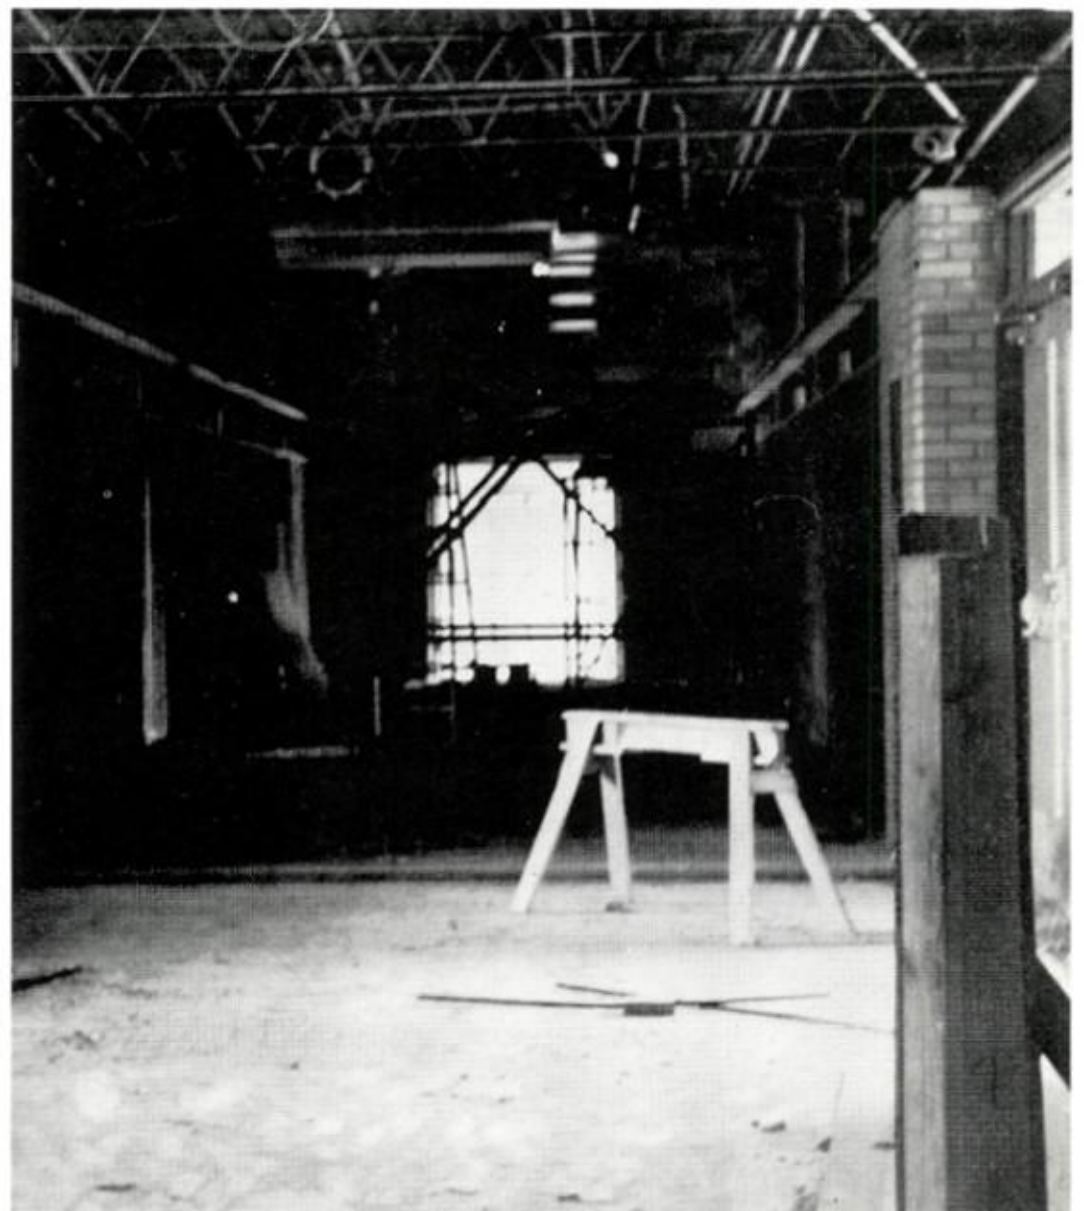

Building Program Provides New Facilities

Irving, the fastest growing city in Texas, has continued construction in its school system to meet the needs of an ever-increasing number of students.

The cost of construction on Irving High alone will total \$110,000. The work will provide seating area for 300 more students in the cafeteria, an enlarged library for better reference work, a classroom and study hall, along with complete air-conditioning.

Superintendent Hanes

TO THE STUDENT BODY OF IRVING HIGH SCHOOL:

You have already demonstrated to faculty members, your parents and friends that you accept your responsibilities as citizens of Irving High School. May I congratulate you on your realization and your acceptance of the fact that in a society such as we have in the United States of America, there goes with every RIGHT a corresponding RESPONSIBILITY.

I trust you will take the time to think seriously just what changes in every phase of the free enterprise system of America, including education, have taken place since you entered the first grade. The only way to be prepared as a useful citizen in this new technological age in which you will be entering as adult citizens is to acquire all of the education that it is possible for you to absorb.

The public schools of America are the proving grounds for future leaders in every field of endeavor. The record that you are making in your public school life gives me faith that you will make an extremely worthwhile contribution to the continued growth and strengthening of the American Way of Life as you and I have always known it.

Sincerely,

W. T. Hanes, Superintendent
Irving Public Schools

Norman Hughes — IHS Principal

TO THE IRVING HIGH SCHOOL STUDENTS:

As this year comes to a close, I am very gratified to see the progress of this student body. An education is the greatest asset that a person should obtain. I believe Abraham Lincoln said, "An education is obtained through seventy-five percent effort on the part of the pupil." That is to say that we through constant effort and desire educate ourselves.

I sincerely hope that those who are serious and are completing this step in their lives, and those who will continue their high school education, will continue to grow intellectually, spiritually and physically.

The biggest challenge in life today is to **WORK** for what you receive!; **STAND FIRM** for individual freedom!; and have a deep respect for the other man and his property. Face life's problems with fairness, consideration, and honesty, and when you have a job to do, do it with pleasantness and to the best of your ability that God gave you.

May I thank you for the many joys that I have received from seeing you grow day by day, and may God bless you always.

Sincerely,

Norman Hughes, Principal

Top Tigerette — Valerie Horn

Top Tiger — Tom Dixon

Mr. IHS . . .

Tom Dixon, this year's Top Tiger, well deserves the title bestowed upon him. Tom is an active member of various clubs and is always a willing worker.

As president of TSA, he's done much to promote school spirit this year through club work and personal example. Tom is a constructive worker and a forceful leader, serving as vice-president of the senior class and of the Junior Traffic Safety Commission.

Always there with a kind word, refreshing smile, and a willingness to help, Tom Dixon is truly an outstanding representative of tiger spirit and the IHS student body.

Miss IHS . . .

Always keeping the school in mind, Valerie Horn has been chosen Top Tigerette for '65.

Valerie has made great efforts to further tiger spirit through the TSA, the senior class, and through the Lair. She has strived to produce books of exceptional quality, keeping the student's interest as the main goal at all times.

Her constant willingness to work makes her known to everyone and a vital part of tiger life.

Valerie, an example of true IHS spirit, has done more for the student body in promoting school spirit and truly deserves the honor of Top Tigerette.

Emison Receives Top English Award

Martha Emison has displayed exceptional ability in her work in English throughout her high school years. Maintaining a grade average of 99 in English, she has also contributed to writing and speaking activities outside regular class assignments. Thus she has been named the English Who's Who for 1964-'65.

Who's Who

Top Science Honors Awarded To Hoskins

Mike Hoskins was chosen Who's Who in science because of his consistently high marks in science courses, two of which were STS, because of his summer scholarship to L.S.U. for the study of science, and because of his intense interest in science.

Andrea Horner Chosen For History

Again this year, the selection of the Who's Who from history department was based on an essay contest. The winning paper was written by Andrea Horner, a junior. Her exceptional ability and interest in history and her willingness to participate in work not required prove her deserving of this award.

Who's Who

Ahearne Takes Top Honors For Math

Joe Ahearne, who has maintained a very high average in all the math courses, is chosen Who's Who in the mathematics department for 1964-'65. By all standard tests and measurements, he has proven himself of superior talent and achievement.

French Honors Go To Jan Brunson

In learning a foreign language, four areas must be considered: listening, speaking, reading, and writing. The outstanding student in all of these four areas in French is Jan Brunson. Her ability to understand the spoken French and to communicate effectively in the language, both by speaking and writing, are the reasons for which she has been selected for this honor.

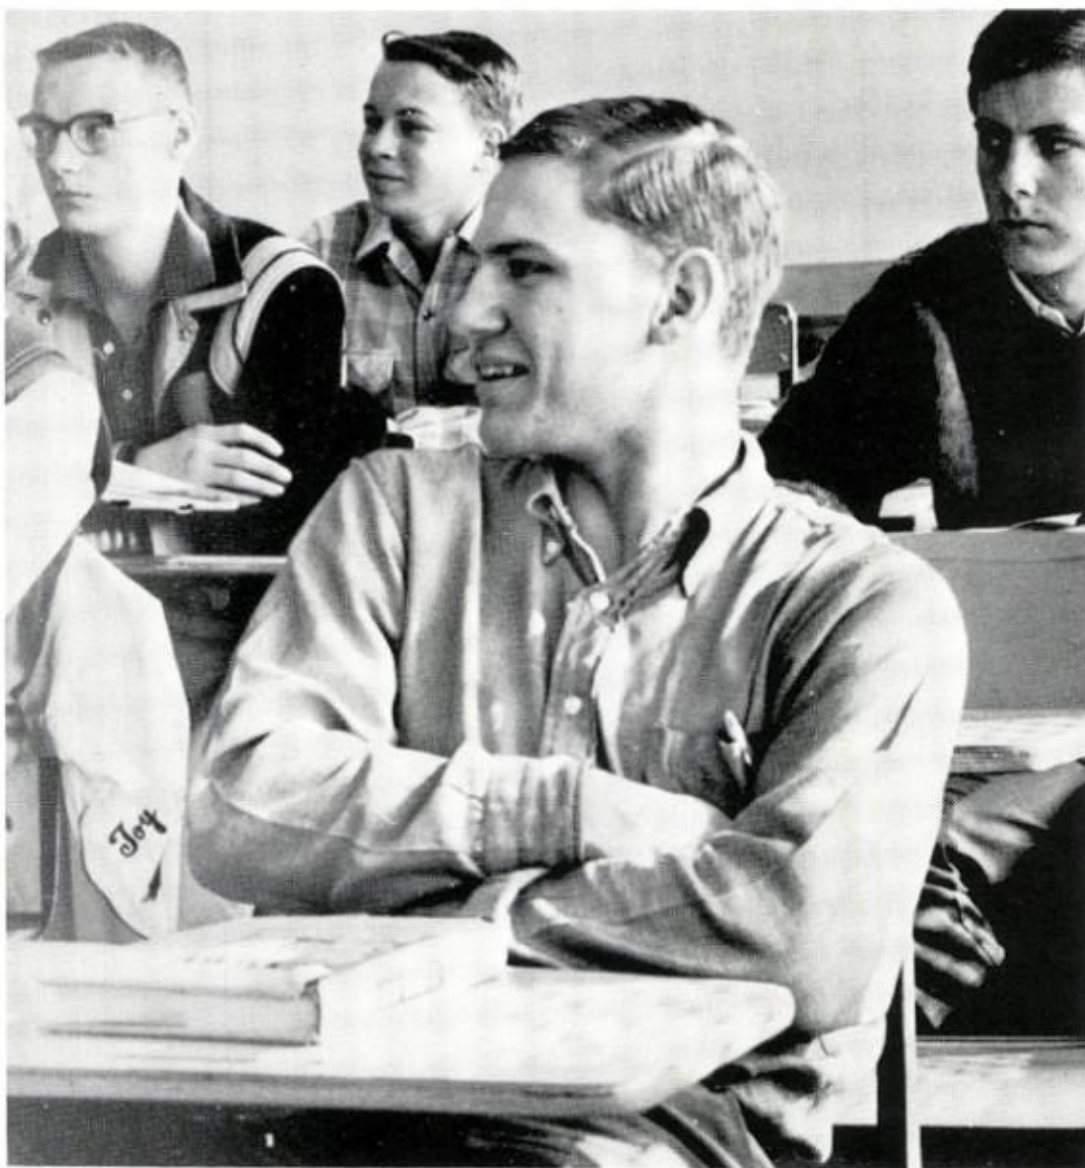

Who's Who

Valerie Huth Awarded Top Spanish Honors

Valerie, a hard-working fourth-year student, is particularly outstanding for her growing command of the language. She has an intense interest in the Spanish tongue as well as the hispanic background and cultural aspects. Valerie is always well prepared, and accomplishes everything she sets out to do.

Hoskins Gets Top German Honors

Mike Hoskins, Who's Who in German, is an outstanding student in German showing both strong ability and interest in the foreign language.

He has the ability to assimilate his knowledge and put it to good use in speaking the language.

Mike, a senior, is an active member of the German Club and serves in the club as treasurer.

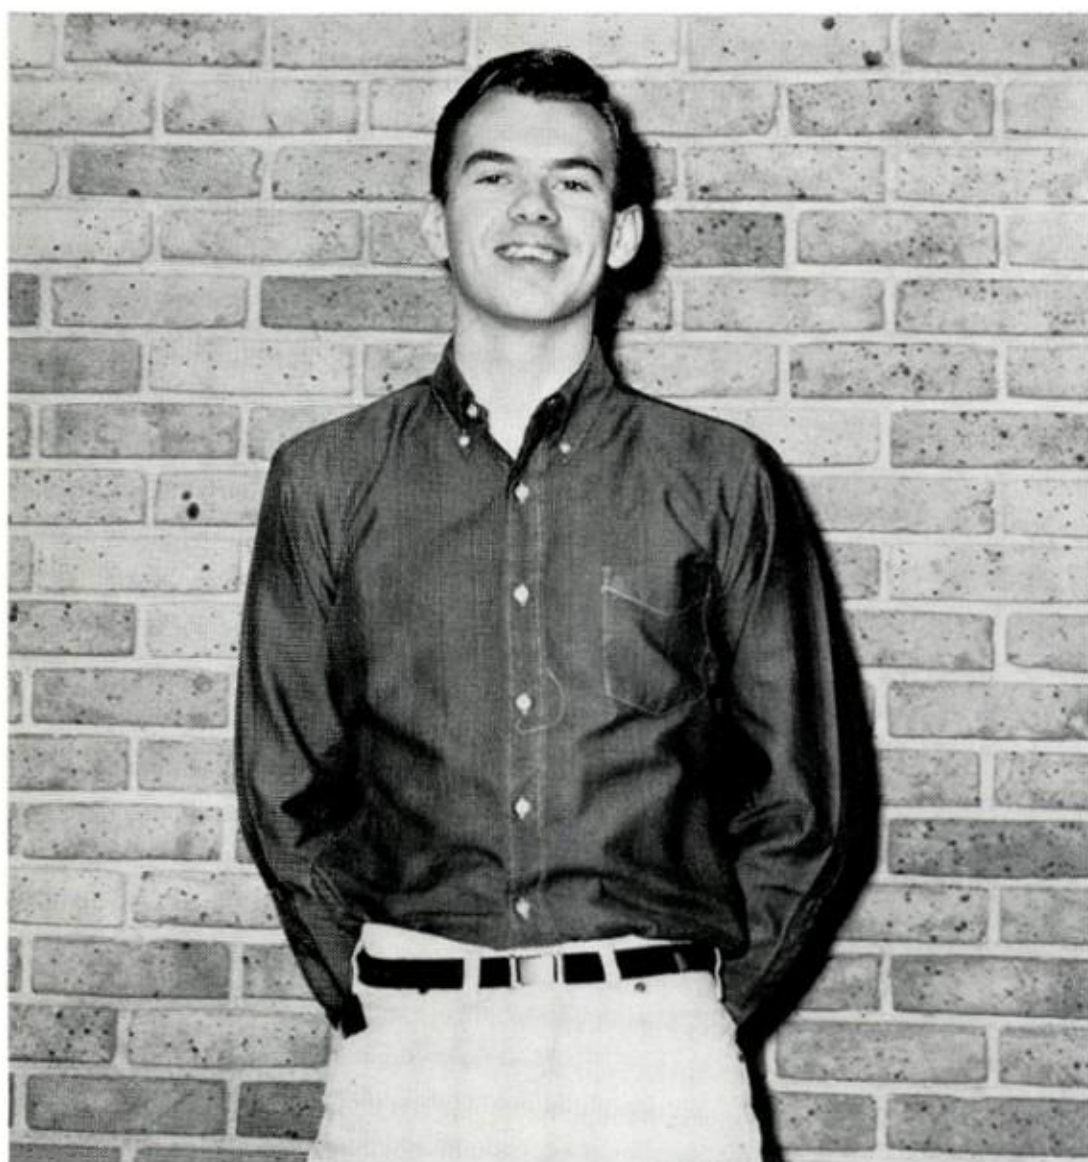

Who's Who

Von Reyn, Portillo Get Latin Honors

Bruce Portillo and Arthur Von Reyn, tied in grammar, translation, command of the language, are both awarded Latin's Who's Who.

Both are three year students and maintain a high average in the subject which exemplifies the spirit that has made both of these boys top students in Latin.

Band Honors Awarded To John Nowlin

A member of the Dallas Area, All Region, and All State bands, the outstanding band student for the year is without a doubt John Nowlin. Known to most students as drum major of the Tiger Band, John participates in all band activities and has won many firsts at solo and ensemble contests.

Who's Who

Randy Davis Takes Speech Honors

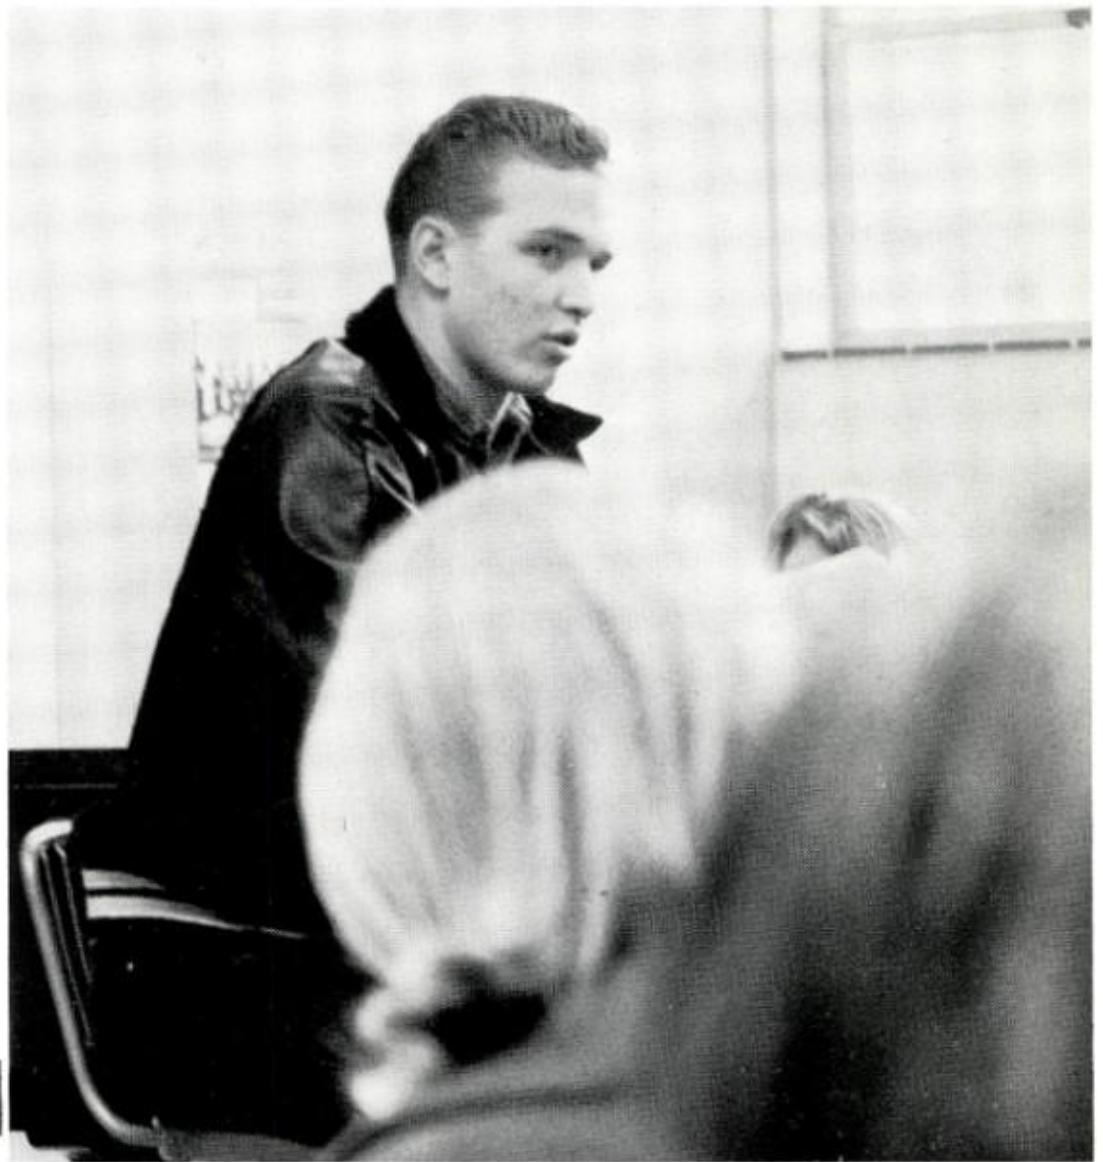

For his devoted and untiring efforts in the dramatics program at IHS, Randy Davis has been chosen Speech Who's Who. A senior this year, Randy has been a National Thespian for three years and is president of the Drama Club. He has participated in Thespian plays, debate, Interscholastic One Act plays, and the senior play.

Choral Award Goes to Cooper

A fourth year member and this year's president of the A Cappella Choir is Jeff Cooper. He has also been a member of the All Region and the All State Choirs.

His sincere interest, consistent hard work, enthusiastic attitude and reliability prove him to be a worthy Choral Who's Who.

Who's Who

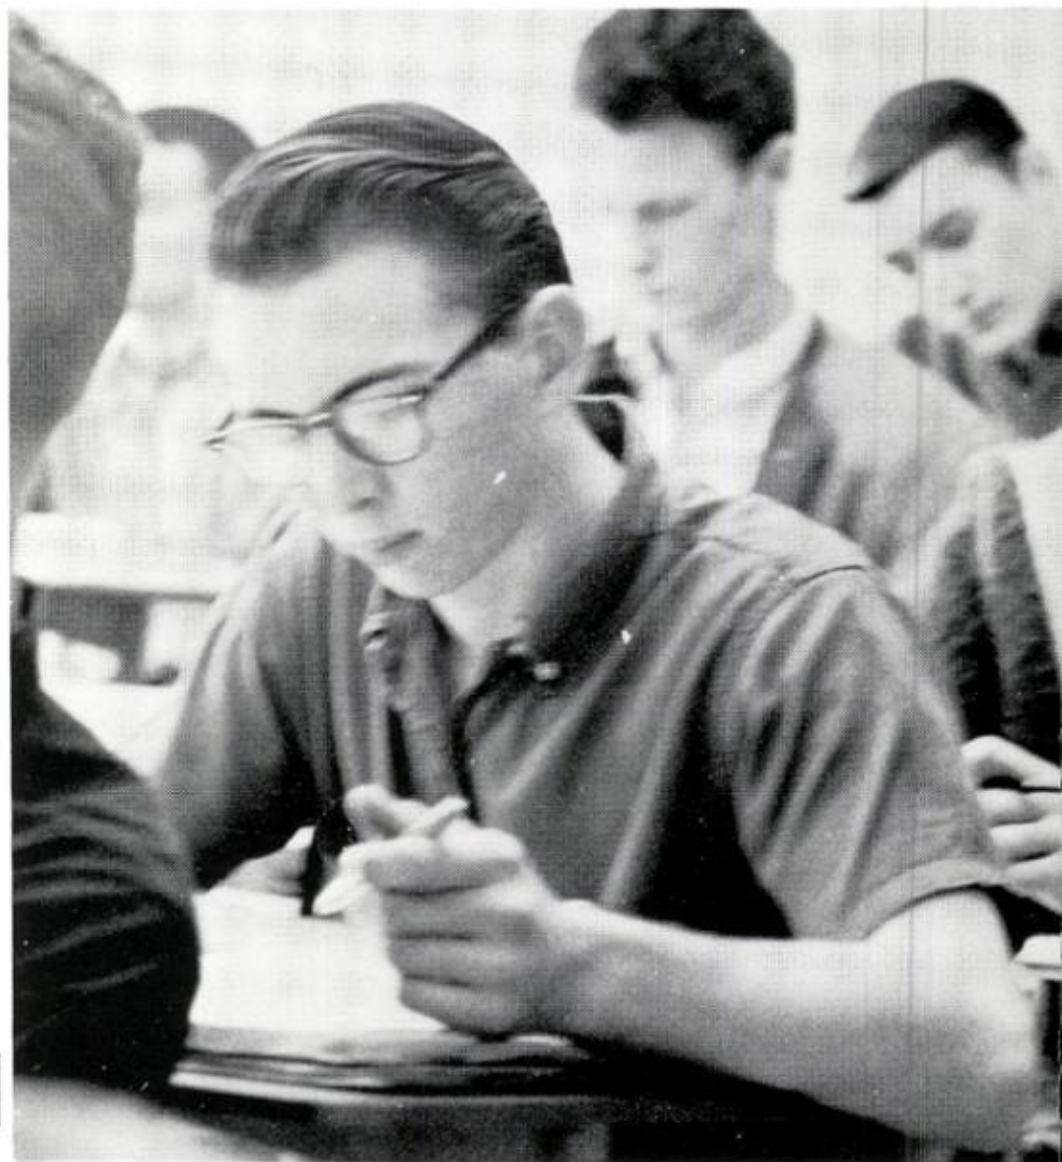

Henderson Chosen For Art Honors

This year's Who's Who in art, Virene Henderson, is an exceptional and dedicated student. She has placed second in the homecoming poster contest for two years and took second place in the State Fire Prevention Poster Contest.

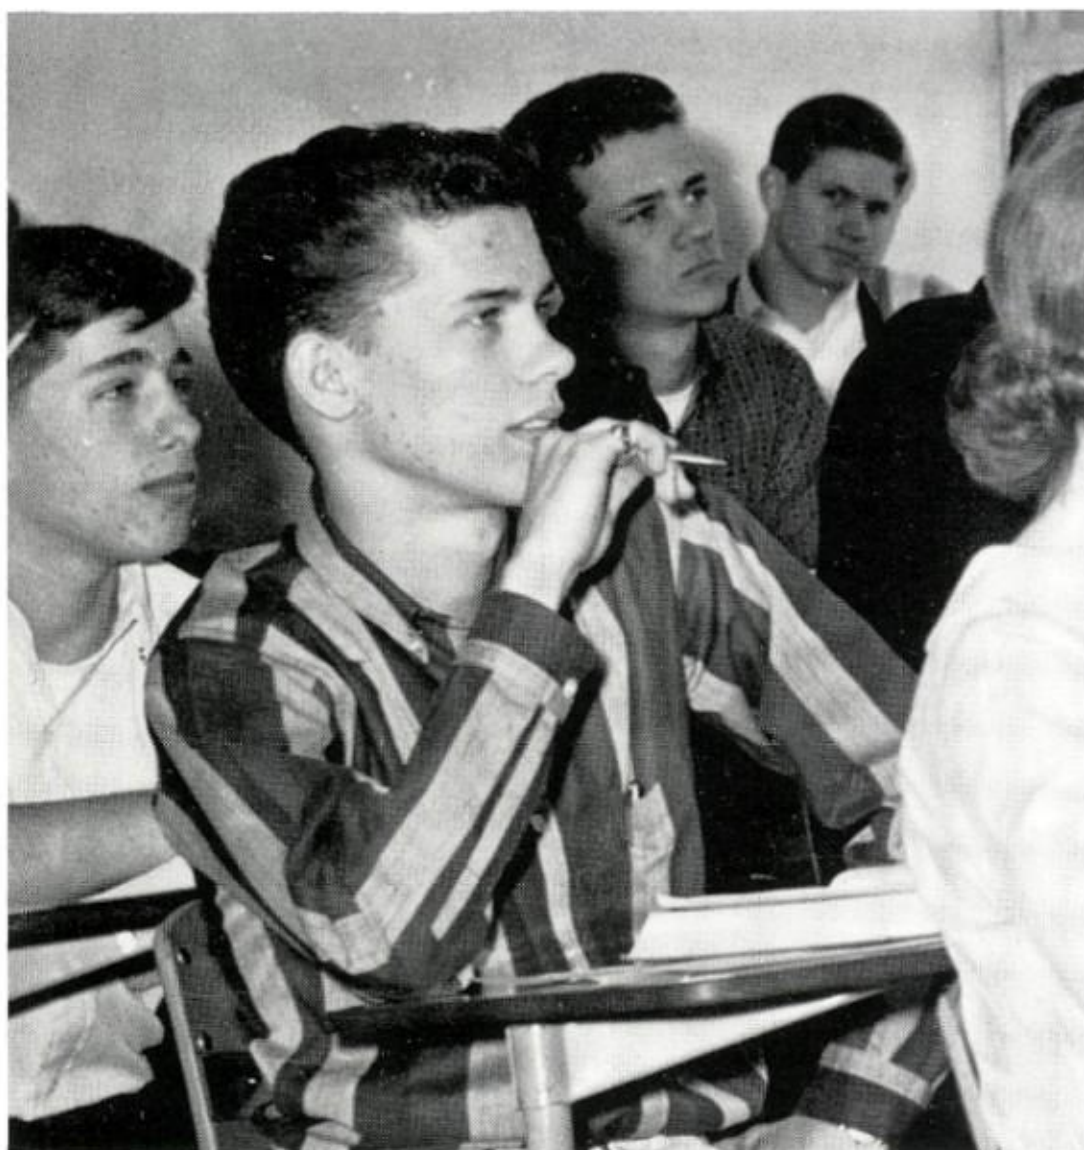

Virene, always cooperative and willing to help, exerted much of her time and talent on the backdrops for the auditorium.

Jobe Chosen As Electronic's Best

A senior this year, Dan Jobe has been chosen Who's Who in electronics for his outstanding work during the past two years. Dan has maintained good grades while working part time in a local repair shop and plans to continue in electronics after graduation.

Who's Who

Vocational Awards Perkins Top Honors

A second year member and this year's president of the high school VIC, Monte Perkins has been chosen as Vocational Who's Who. A tireless worker Monte has attended many conferences, and made many speaking engagements as the state president of the Vocational Industrial Club.

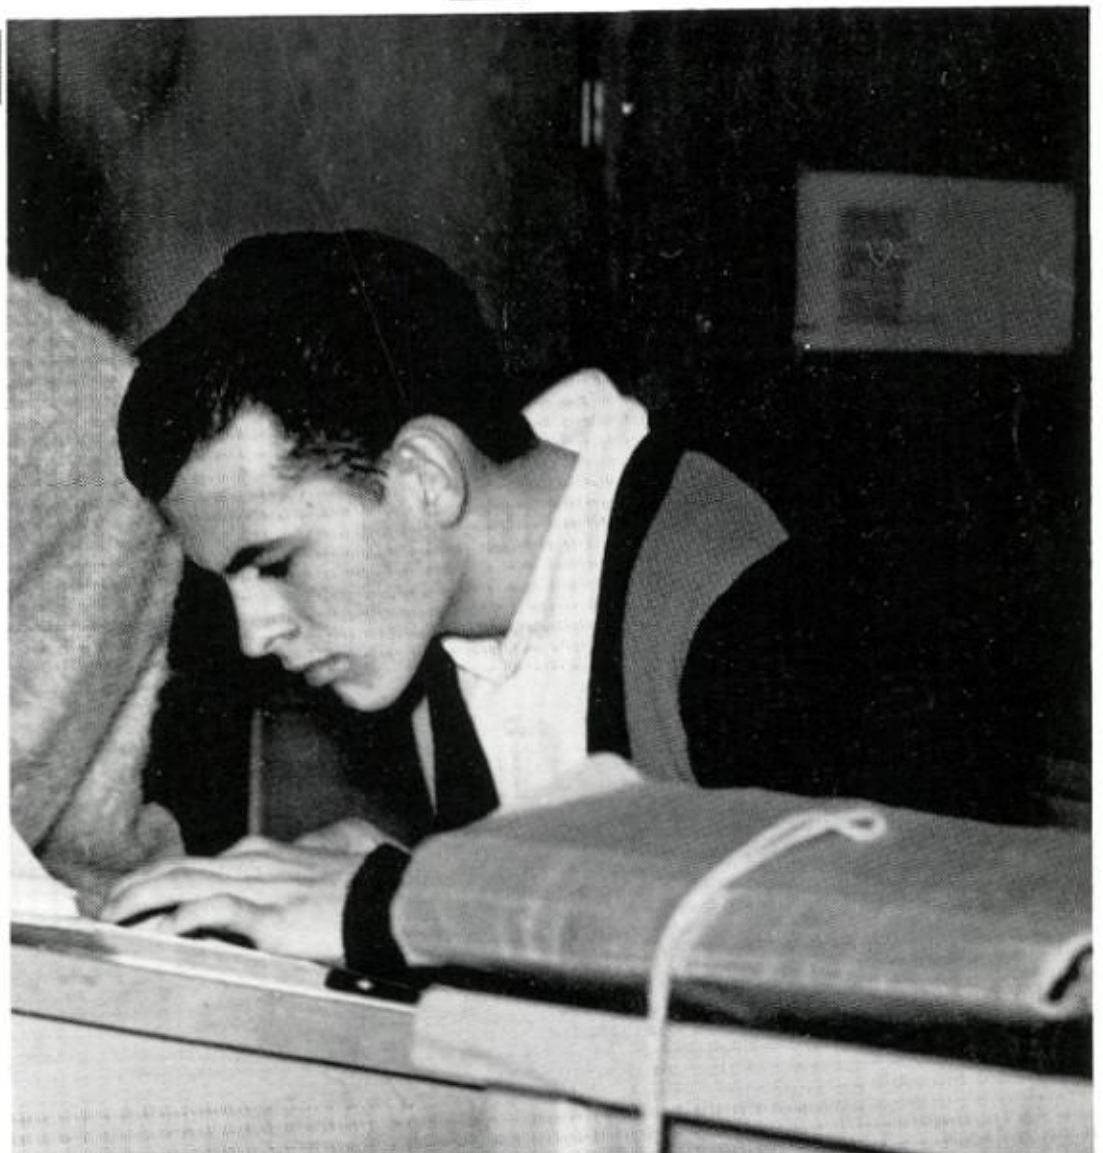

Wheat Top Student in Woodworking

Jim Wheat, a senior, has again been named Who's Who in woodworking. A hard working and cooperative student, Jim chose and completed several difficult projects, proving himself a student of exceptional ability.

Who's Who

Mechanical Drawing Goes To Goodman

A student at the head of the class, Andy Goodman has been named Who's Who in mechanical drawing for '64-'65. He is very interested in his work and always strives for neatness and accuracy, very important in this type of work.

Journalism Honors Valerie Horn

Valerie Horn took top honors for her tireless effort in Journalism II. Valerie, a senior, plans to be a journalism major in college.

Valerie is Editor of the '65 Lair, served as co-editor in '64, and was business manager in '63.

Her devotion and constant drive help to make the Lair a success again this year.

Who's Who

Gent Is Awarded Business Honors

A member of the Future Business Leaders of America, Laura Gent has been named Who's Who in the Business department for 1964-'65. An outstanding student, Laura follows directions, does good work, and is willing to take on more difficult assignments for greater development. After graduation, Laura plans to continue her study of business.

Homemaking Chooses Kay Robertson

Kay Robertson's interest and ability in homemaking, her broad range of accomplishments, her outstanding qualities of cooperation, enthusiasm, creativity, and helpfulness in her classwork have all contributed to her selection as Who's Who in Homemaking.

Kay maintains a high scholastic average as well as high standards in home, school, and community activities.

Tigers Tackle Two in Pre-Conference Action

Halfback Cobler snags another.

Tackle Tommy Newsom leads Quarterback Chris Shrang around the right end.

The fighting Irving Tigers romped over the North Dallas Bulldogs in the first game of the season. All three Irving scores came in the second quarter by Gordon, Bridges, and Shrang. Two conversion tries by Shrang were good to make the halftime score 20 to 0. The second half proved fruitful for neither team and the score at the end of the game remained Irving 20, North Dallas 0.

20-0

A helping hand assists End Terry Burts in stopping a Lion.

The Carrollton Lions jumped to a seven point lead early in the first half, a lead that remained until late in the third quarter when Halfback Danny Gordon scored on a quick end sweep. A fake kick turned into a pass from Shrang to Gordon gave the Tigers the needed score and a one point edge over the Lions. Neither team again scored and the final score was Irving 8, Carrollton 7.

8-7

Arlington Upsets Irving

13 to 9

The Arlington Colts pulled an upset over the fired-up Irving Tigers, when, in the last few minutes of the game, a frisky Colt romped 93 yards on a kickoff return to make the score 13 to 9.

This Arlington score proved a real heart-breaker, for Irving had just pulled ahead of the Colts on a touchdown pass from Lloyd Hall to end Terry Burts.

Other Irving points came when quarterback Chris Shrang booted a field goal.

Bruce Portillo, Danny Gordon, and Steve Murphree headed up a staunch Irving defense.

Fullback Larry Smith attempts to shake loose an Arlington tackler.

Halfback Danny Gordon evades one Colt tackler and readies himself to meet another on this yard-gaining end sweep. This action came late in the third quarter on a penetrating Tiger drive.

Rider, Bell Bewilder Irving

The Irving Tigers journeyed to Wichita Falls, accompanied by five-thousand Irving fans and the hearts of all Irvingites with hopes of bringing home their first conference victory.

They returned sadder but wiser with a special respect for a certain Indian Tailback. That Indian, Bub Deerinwater, played havoc with Tiger defense and participated in every Raider score.

The lone Irving score came on a 93 yard punt return by Tiger Halfback Danny' Gordon. A key block by Center Bill Jernigan allowed the Tiger touchdown. The final score was Irving—6, Rider—27.

Defeated Tigers somberly exit the field after losing to the Rider Raiders.

Tough Irving defense hauls down a Bell Blue Raider as his bewildered teammates ponder the situation.

The Irving Tiger played host to a strong Bell ball club and like truly polite hosts let the Raiders dominate the evening.

The Blue Raiders scored early in the first quarter and the Tigers never quite regained their composure. Bell's offense led by Fullback Randy Beck repeatedly penetrated the Irving defense and scored heavily. The Tigers lost 28-0.

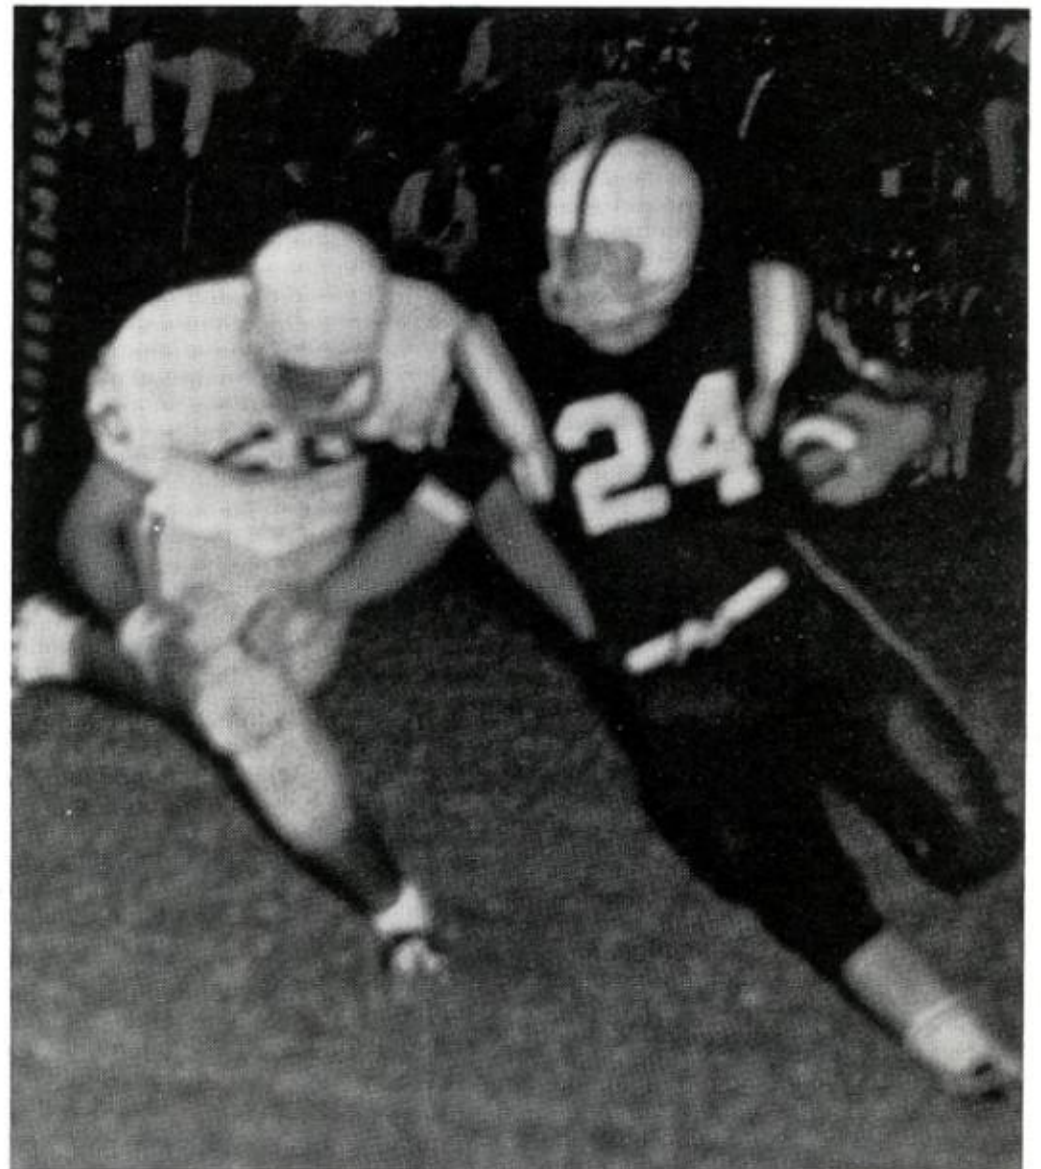

Castleberry Lions Squeeze by Tigers

14-8

A Tiger quickly sidesteps an attacking Lion and heads for much needed yardage.

The Tigers travelled to Castleberry for one of the season's biggest heartbreakers. According to statistics, coaches, and everyone concerned, the Tigers clearly outplayed the Lions. Only on the scoreboard were the Tigers defeated.

The Lion's twin scores came on runs by Halfback Mike Richardson. The lone Tiger score came on a short run by fleet-footed Danny Gordon. Shrang threw to Freestone for the additional two points. The final score came as a real blow to the hard-fighting Tigers.

Halfback Jimmy Bridges eludes a Castleberry Lion and races down-field.

Halfback Danny Gordon sprints for a touchdown late in the first quarter.

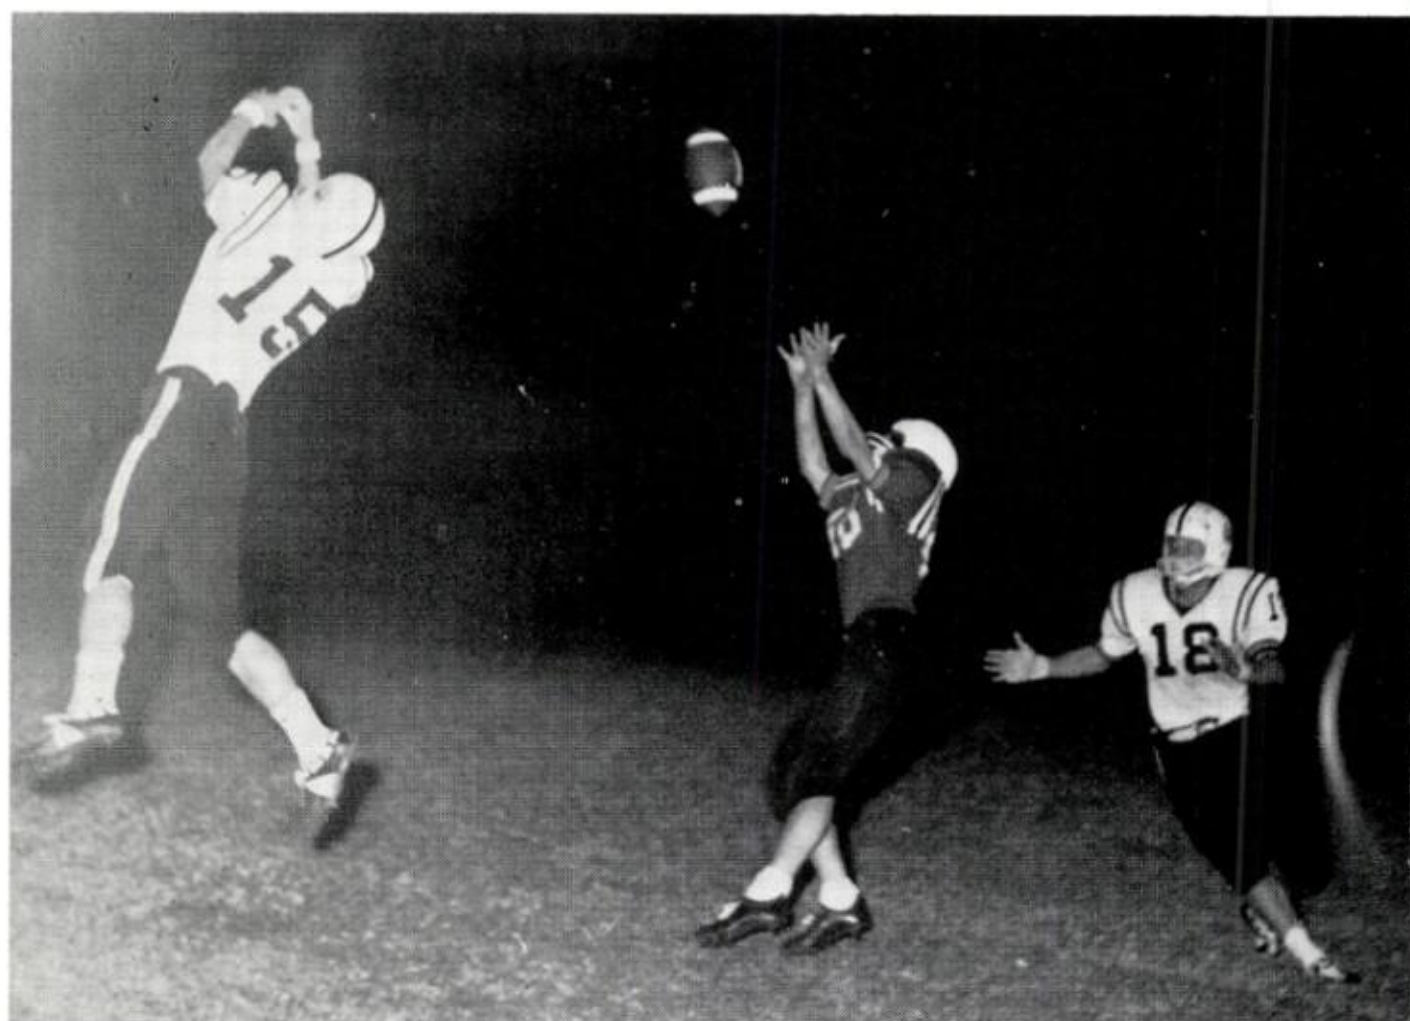

The staunch Tiger defense closes in on a Wichita Falls Coyote.

Tigers Wallop W.

Irving Downs Coyotes, 21-6

In Tiger Stadium the Coyotes of Wichita Falls took a 6 point lead midway in the second quarter but retained it for only four minutes. The the enraged Bengals scored twice in just under three minutes, first on a short run by Aaron and later on a magnificent 85 yard punt-return by Quarterback Lloyd Hall.

The second half proved a defensive battle and neither team scored until late in the fourth quarter, when the Bengal's Gordon romped over for the added 6 points.

Hall and Gordon display teamwork on pass defensive.

End, Dickie Hill, sprints into dangerous Haltom territory.

Tigers Tromp Haltom, 26-0

Very seldom do football fans witness the unity displayed by the Tigers against the Haltom Buffaloes. From the kickoff until the last second had ticked away, the Tigers worked as a team.

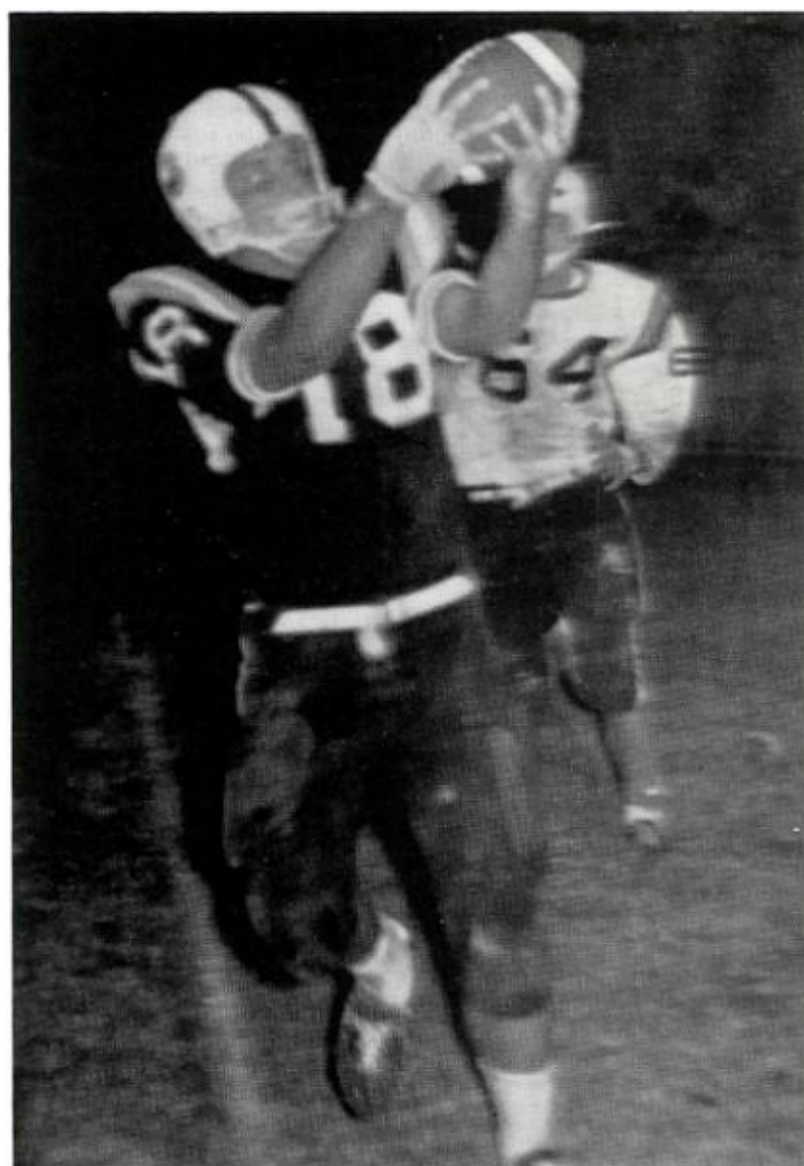

The first Irving score came midway in the first quarter on a short drive by Fullback Mike Aaron. Shrang's kick was good for the extra point. It was not long before more points were

Loyotes, Haltom Buffs

added to the Tiger tally by a pass from Lloyd Hall to Dickie Hill, followed by another successful boot by Shrang.

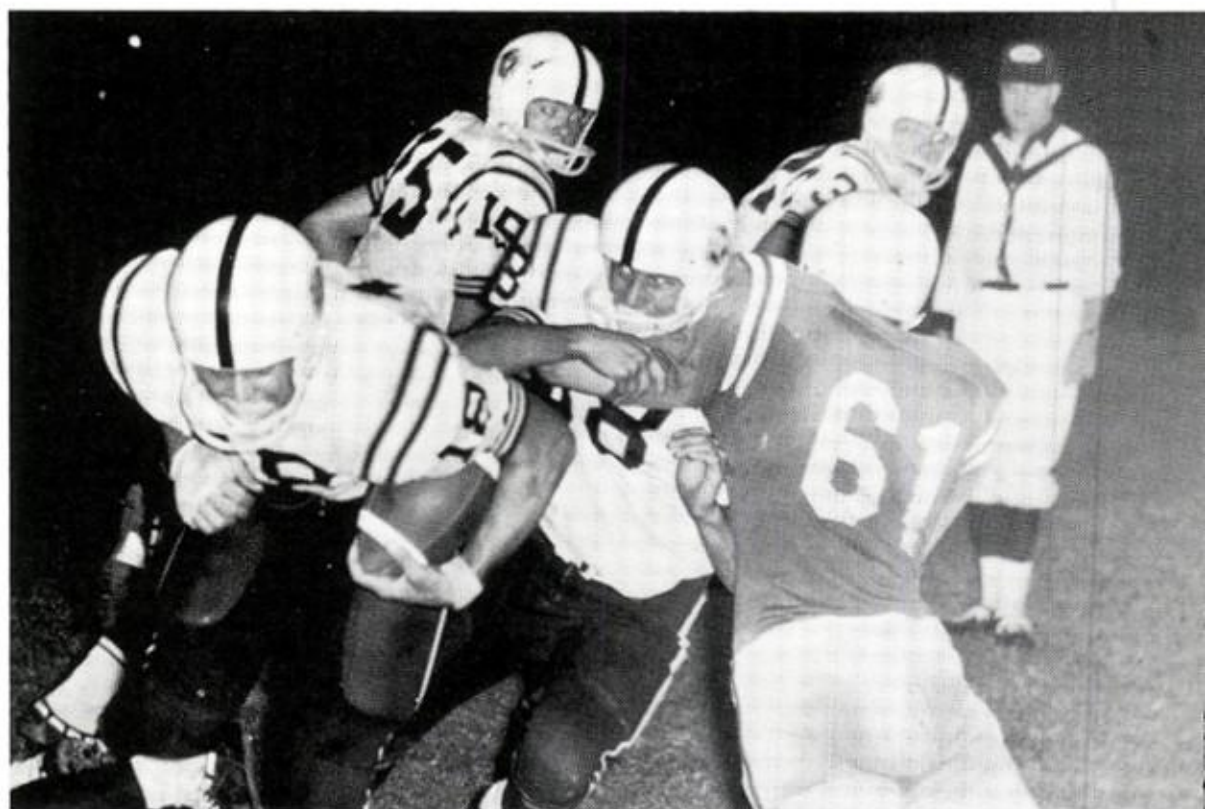

Aaron once again displayed his line-smashing skill as he dived into the end zone for the third Tiger touchdown, late in the third quarter. The fourth and final score for the Tigers was credited to Larry Smith as he struck pay dirt later on in the game.

Gordon displays his skill as a pass receiver.

Larry Smith churns out yardage against the Rebs.

Tigers Romp by Richland 28-0

The Irving Tigers stunned the Richland Rebels in Tiger stadium with a score of 28 to 0.

Action was slow in the first half and the Tigers racked up only 6 points that score coming from Lloyd Hall on a dive into the end zone.

The Tigers caught fire in the second half, however, and added 22 points to the scoreboard. Danny Gordon scored twice in the third quarter both times on 1 yard breaks over the goal line. This form of scoring seemed popular and Halfback Don Childers also scored on a 1 yard burst into the end zone.

As always, the Tiger defense exhibited their talents and held the Rebels out of threatening territory. In fact, the Rebels never penetrated the Tiger 38 yard line. Defensive standouts were Steve Murphree, Joe Ben Reynolds, Bruce Portillo, Terry Burts and Kenneth Cobler.

Bengals Bomb Grand Prairie

21-0

It is always a big event when the Grand Prairie Gophers and the Irving Tigers meet in any athletic contest. This again proved true as the Tigers brought their season to a close by facing the Gophers in the Gopher Bowl.

It took only four minutes for the Tigers to make their first seven points. They came on a ten-yard sprint by Halfback Danny Gordon followed by the successful extra point kick by Larry Smith. The second quarter score was added by Lloyd Hall, the promising Junior Quarterback, as he sneaked across the goal line from three yards out. Smith's kick was again good and the half-time score was a lop-sided 14 to 0.

Kenneth Cobler made the third period score which was followed by Smith's third successful kick of the evening. This scoring froze the scoreboard and the game ended with the Tigers on top 21 to 0.

Against Grand Prairie, as well as all other opponents, victory was made possible because of the excellent playing of the defensive squad. The defense, headed by Murphree, Gordon, Burts, Portillo, Reynolds, and others, posted an excellent record by holding the opposition to the lowest scoring in the district.

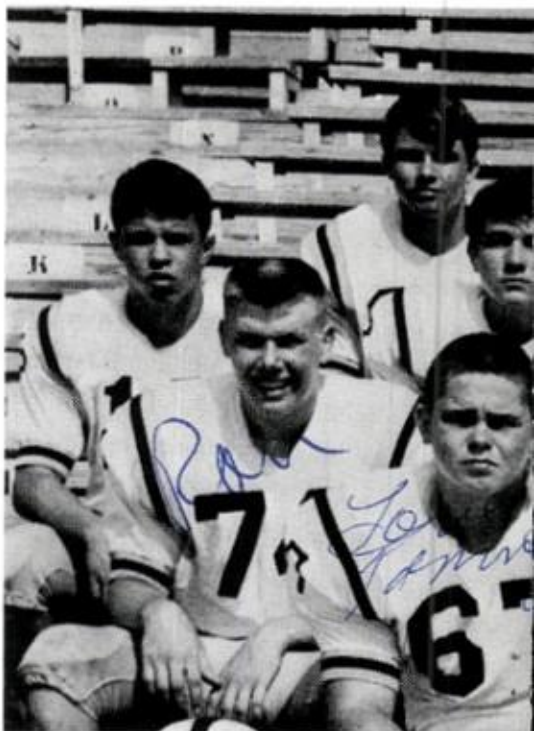

Kenneth Cobler breaks through the Gopher's defenses for Tiger-type touchdown in the Gopher Bowl; Eddie La-Tour readies to provide any needed assistance.

B-Team Footballers Sweep District

John Barbosa gallops into threatening territory.

Front row: L to R: T. Light, J. M. L. Nolan, J. Young, M. LePore, Hodgkiss, C. Green

Mike Jackson clears the way for Larry Shaw on a yard-gaining sweep.

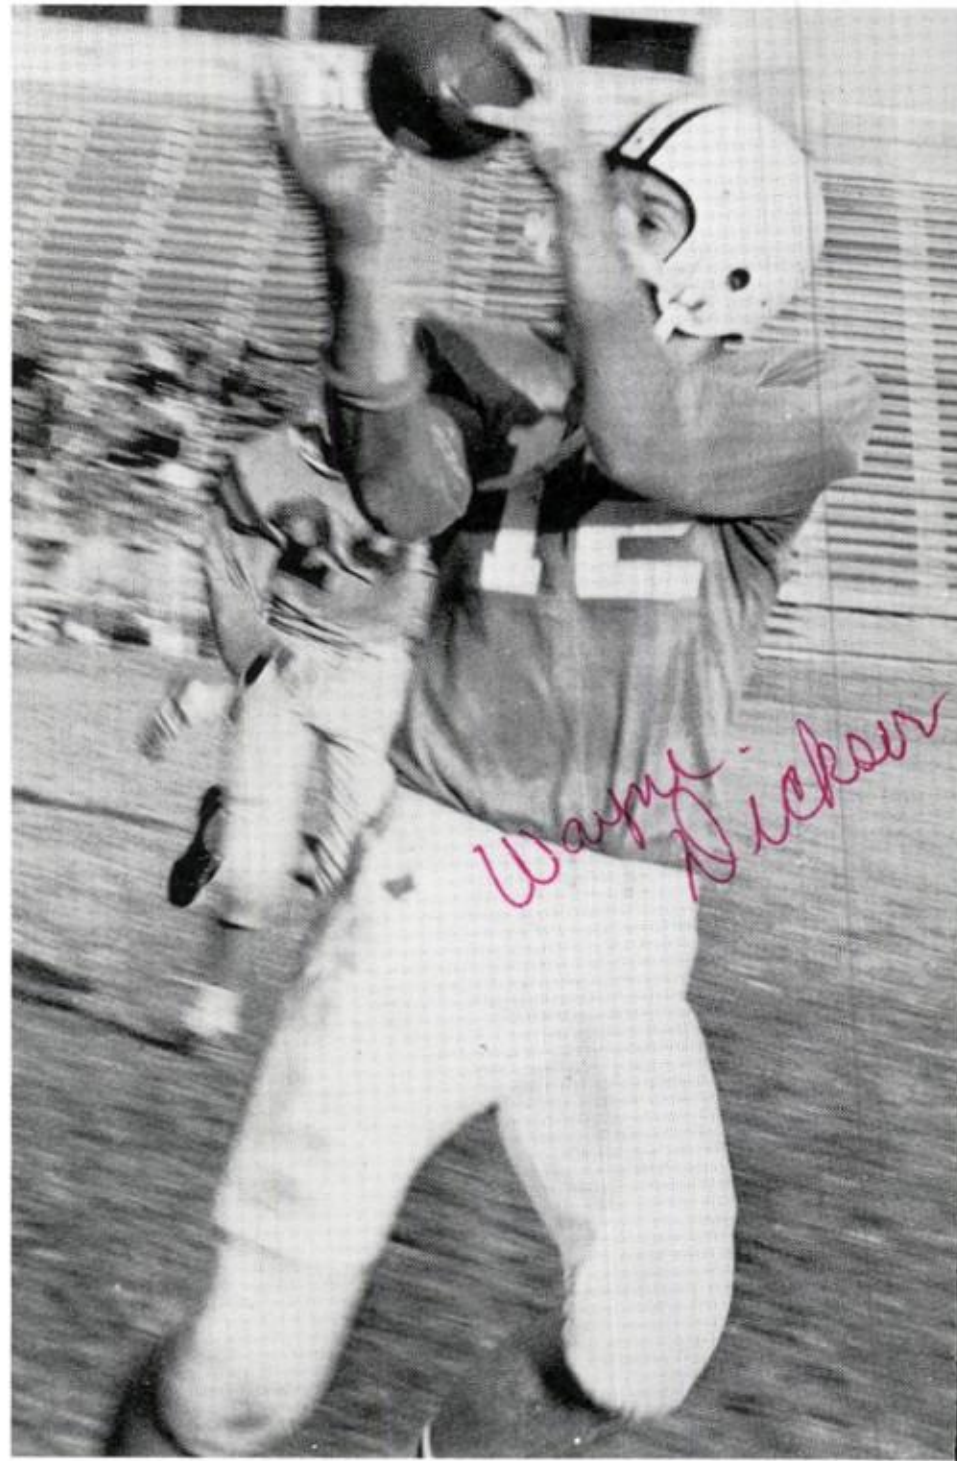

Second row: R. McAdoo, B. Harrington, J. Adamson, J. Fostel, E. Robinson, B. Hastings, S. Hudson. *Third row:* L. Shaw, R. Thacker, J. Wiley, P. Riddle, J. Killam, J. Arnette, J. Barbosa, B. Baker. *Fourth row:* B. Story, R. Davis, M. Jackson, S. Thompson, M. Collins, Dale Bramhall, B. Montgomery, C. Kimberlin. *Top row:* Coaches: Tom Uhr, Jack Rucker (Head coach), Don McDonald. Managers: M. [unclear], D. Wise, O. Hill.

The "Best" is perhaps the simplest yet most accurate phrase that could be used to describe the B Team footballers of Irving High. The entire season was marked by a unity and team spirit which prompted Coach Jack Rucker to comment, "It was high spirited and hard-nosed playing that enabled those boys to come out on top". With this unconquerable drive the B Teamers won nine and lost only one game during the season. Despite a close shut-out by Bell, they averaged 25 points per game while the hard-hitting defense held opponents to a meager 6 points per game average. Irving High can really count on these boys for great future football.

Scotty Thompson protects Dale Bramhall as he churns out yardage.

Tiger Frosh Win All

The Fighting Freshman footballers of Irving High met and soundly defeated all opponents. The fantastic scoring by a great offensive unit averaged 51 points per game while a rock-ribbed defensive held opponents to a paltry 2 points.

Commenting on his team, Coach Mike Murphy said, "They are the finest freshman group in many years. I expect great things of those boys."

Front row: R. Dumond, B. Griffen, R. Smith, R. Harris, R. Owens, G. Barbosa, B. Jennings, A. Anderson, J. Hill, R. Watson, J. Hale. Second row: C. McNabb, M. Killam, L. Jordon, B. Arnold, N. Spirited Irving Cagers Bound Into Exciting Season

Pounding down the hardwood court, a sweating cager quickens his pace. Time is running out! The whistle draws near. Thirty seconds. Get that ball! Get that ball! There's still a chance! He lunges forward and snatches the bobbled ball from an opponent. Drive, man, drive! Up for a layup. No good! Get that rebound! Pass the ball! Five seconds. He shoots . . .

The basketballer is Wallace, or Lechner, or Herriott or any of the twelve men on the Irving High varsity basketball team. They all work together for the one important goal . . . Victory. Each knows that the key to victory is teamwork, and the essence of teamwork is hard, tireless practice. What is the incentive for hard work? Ask a basketballer and he probably can't tell you. It's a combination of many things; desire for achievement, glory, or personal improvement; a pride in self and school; or perhaps a guy sometimes called "Duck", better known as Coach McDonald.

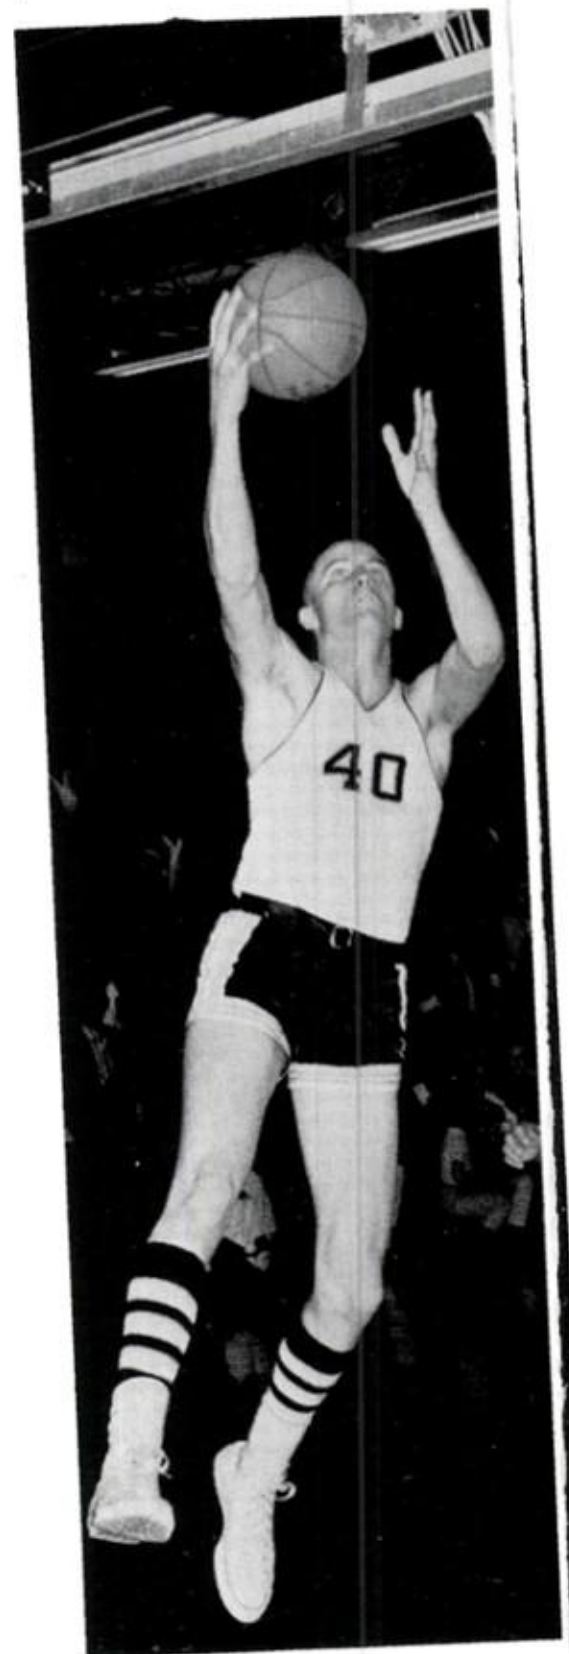

Junior Gary Owens, sprinting down the court struggles to gain control of the ball.

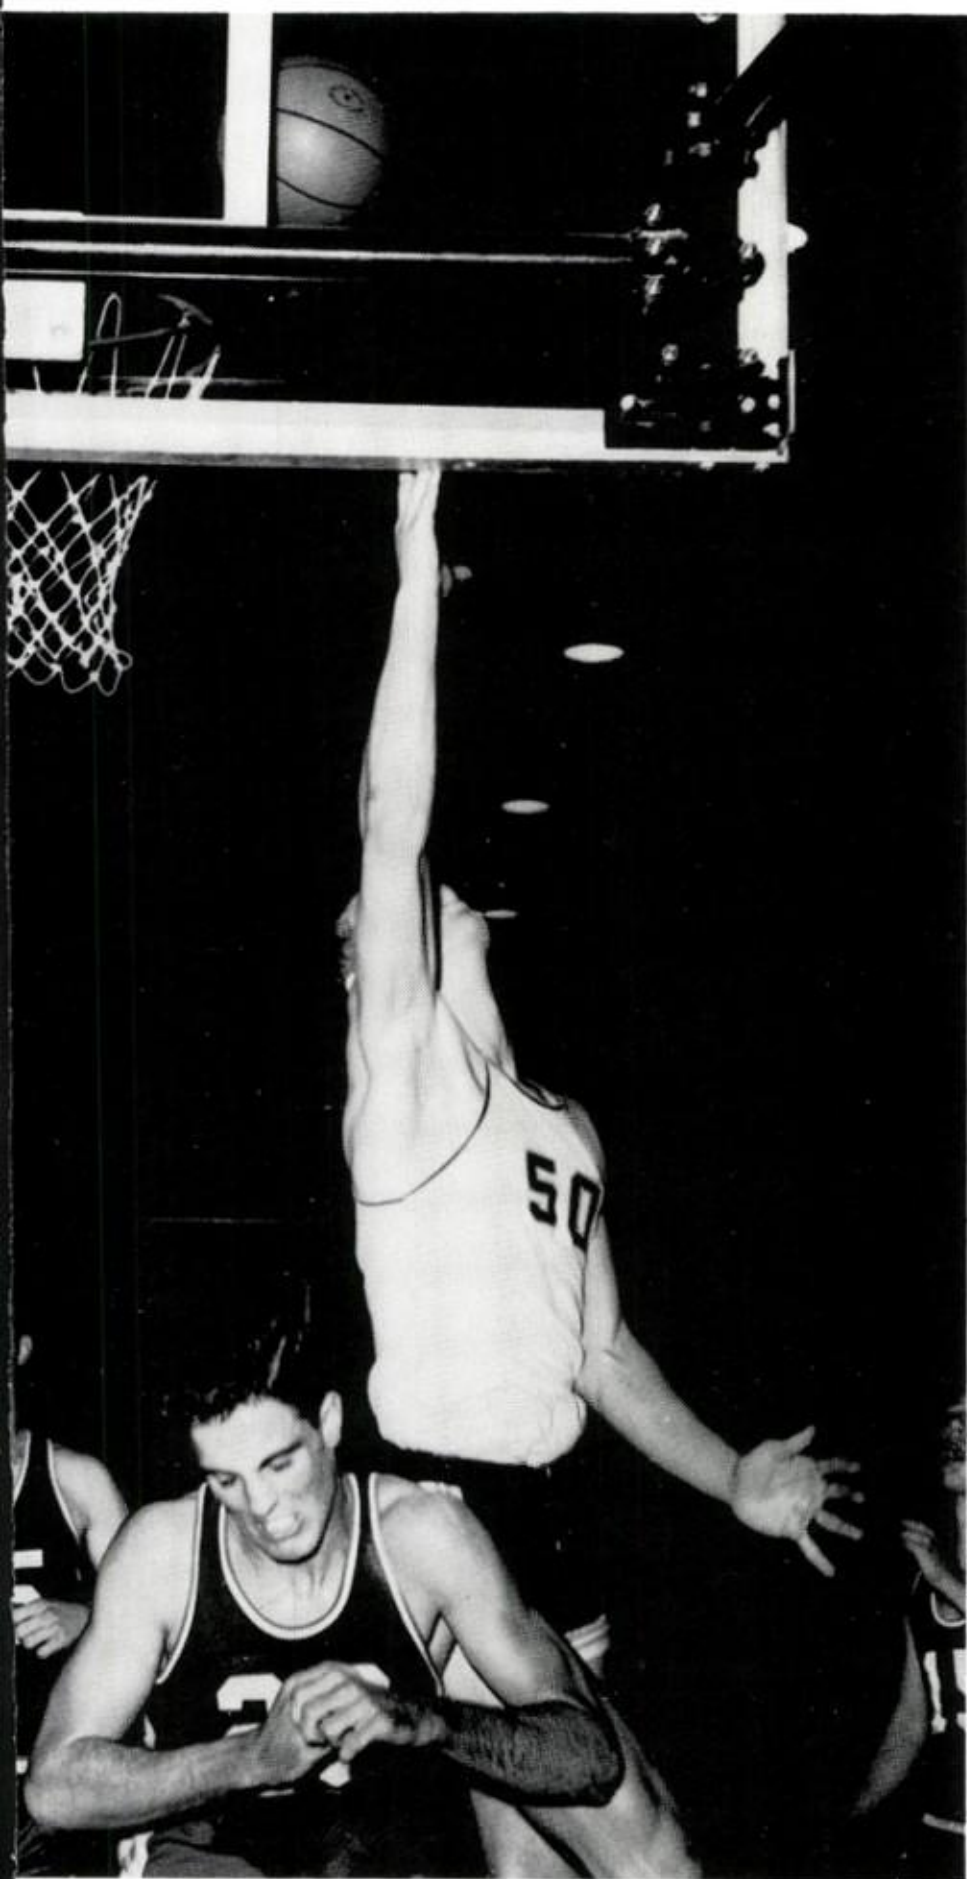

Dicky Hill scores his first two points in district play.

Fans Witness Fast-Moving Court Action

Larry Nelson discovers that it's "rough-going" under the basket.

Often, the anguish of athletics appears humorous to the spectator.

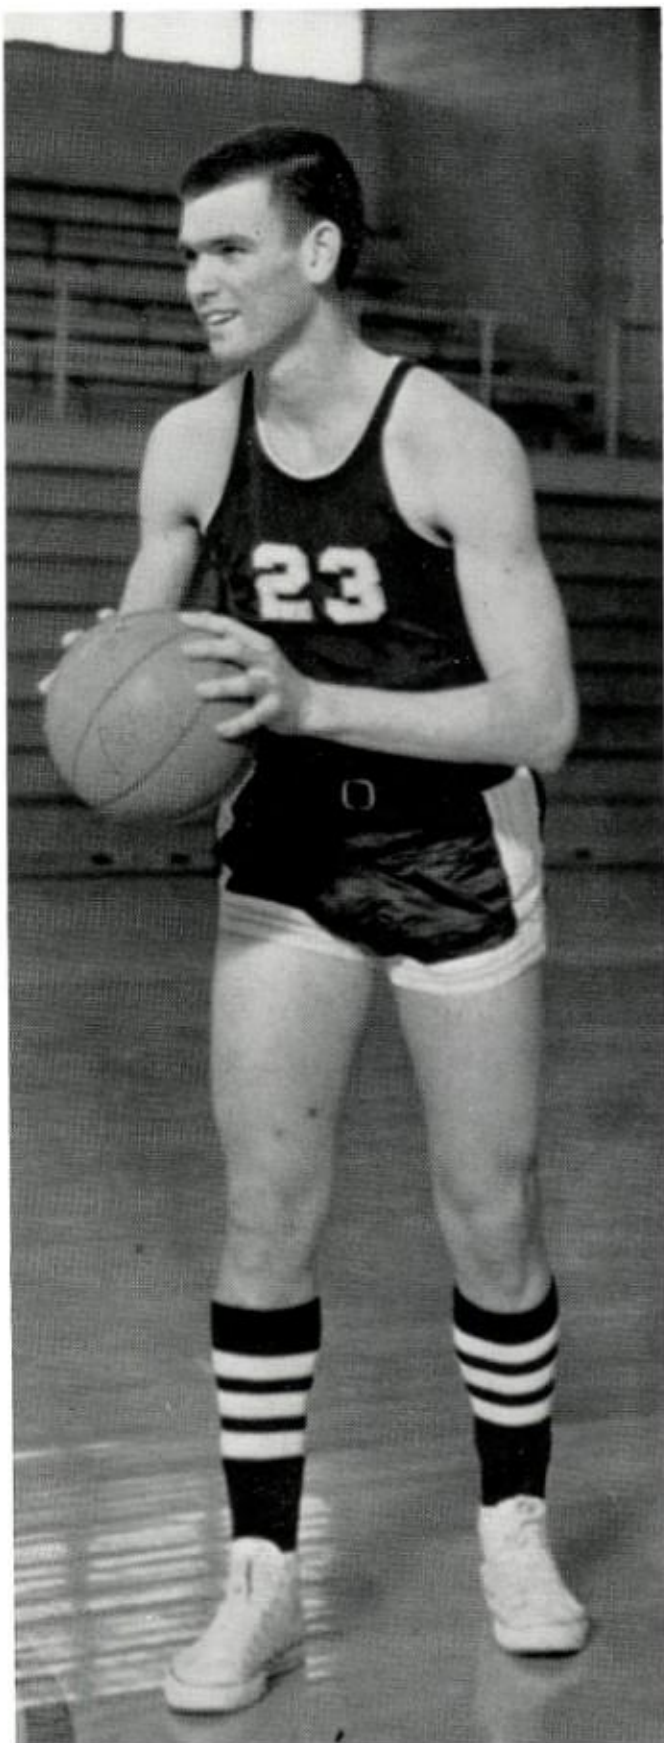

Tigers Better Past Seasons

The Irving High varsity basketball team finished the '64-65 season with a district record of five wins and nine losses. This was the best season that Tiger basketball has had in several years, and each season shows definite improvement.

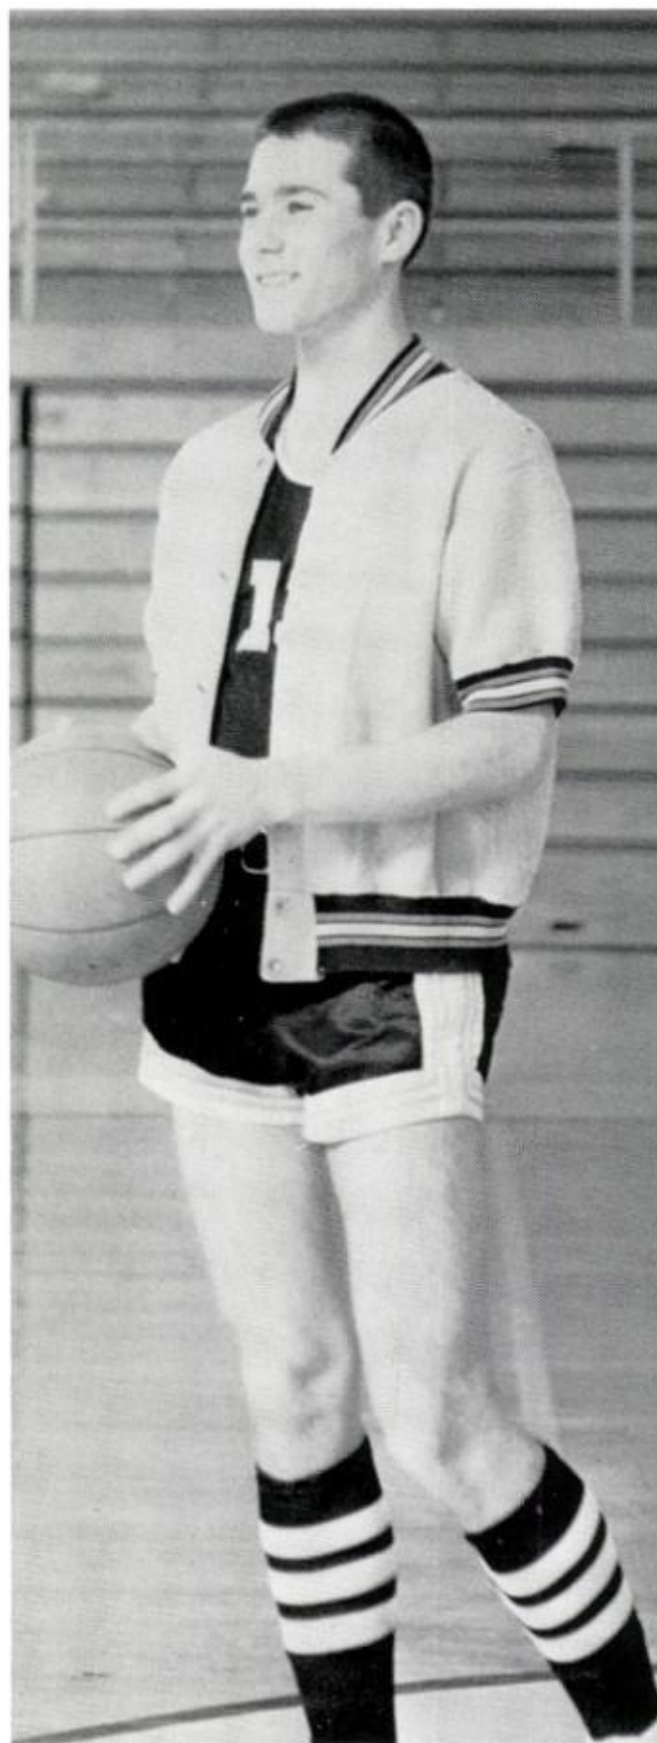

Not only did the Tigers place high in district play but also in several tournaments taking place in Waco, Irving, and the Dallas Dr. Pepper Tournament.

Hopes for next year are high as Dicky Hill, Kenny Robertson, Gary Owens, and Buddy Ingram will head the varsity.

B Team Promises Varsity Greatness

As the Tiger B-team prepared for varsity basketball, they gained experience, knowledge, spirit, ability and desire. At the same time they racked up a season record of 15 wins and 10 losses. This enviable record was composed of tournament, pre-district and district games. As the season progressed, enthusiasm increased and anticipation of varsity play grew intense.

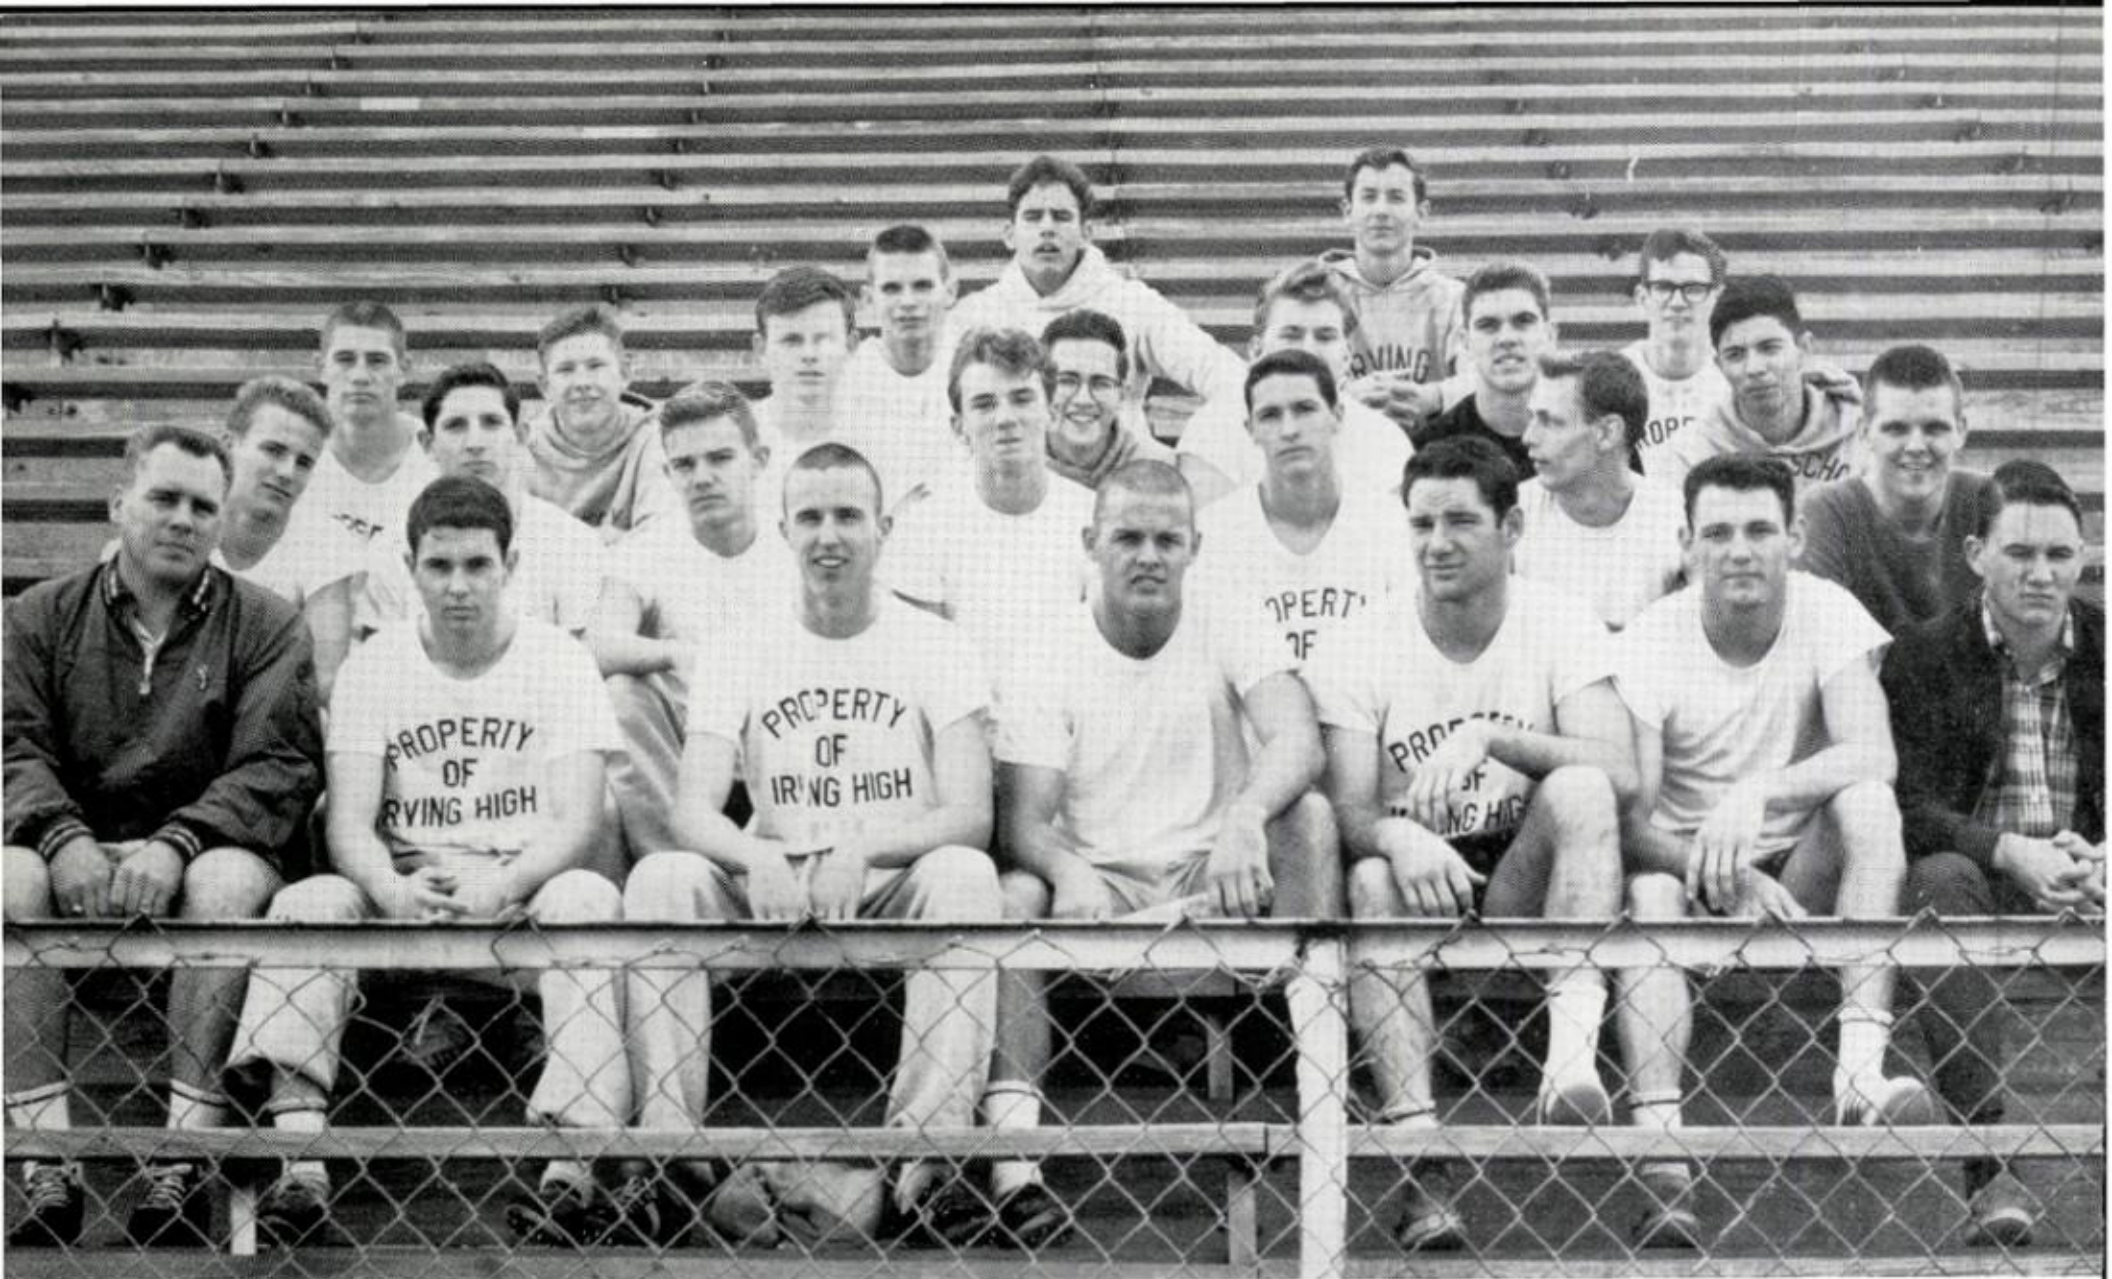

Tiger Frosh Cage District

It seems as if IHS freshman sports have some mystical power to dominate all phases of district athletics. This again proved true as the freshman basketballers finished with a record of 23 wins and 4 losses. Although the scoring was never unusually high, it was consistent and the frosh gained much-needed experience. Hopes for coming years are extremely high as the freshmen gain skill, knowledge, and Tiger spirit. "This year's outstanding players," commented Coach Kassen, "were Wayne Dickson, Ernie Brandon and Rodney Owens."

Cindermen Anticipate Track and Field Events

As the IHS track team began its intensive practice schedule, it was hampered by cold and damp weather. However as the weeks rolled by and the weather improved, the trackmen showed steady improvement and increased spirit as the spring meets drew near.

Although, at press time, the schedule of track meets was not completed, Coach Uhr predicted that the trackmen would be top contenders in all meets.

Allan Ward sprints toward the finish line.

Hurdlers—Larry Smith, Richard Shelton, Mike Aaron, Dennis Fowler, Larry Mariani and Garry Sifford.

Golfers Begin Workout For Spring Circuit

Although the golf team of IHS has not yet participated in any scheduled meets, they have been working and practicing since the start of the school year. Expectations are high for many of the golfers will be returning from last year's team. As will all sports, it takes several years to build a strong team and the golfers will have to work hard in district contention.

Top row: Carol Hammond, Cecilia Cherry, Virginia Bower, Jackie Cherico, Miss Joan Young, (Coach), Sue Loaring-Clark, Cynthia Sollack, Liz Hodges, Kathy Marshall, Amber Parks. *Kneeling:* Debbie Wahlstrom, Maryse Verot, Betty Pruitt, Andrea Horner, and Donna Beavers.

Flying Tigers Perform At Basketball Games

Although the name of the Flying Tigers of Irving High conjures up an image of perpetual flight, these proficient gymnast sometimes touch ground, if only for an instant. The tumblers, organized and presently instructed by demonstrating their skill through basketball half-time presentations, the Flying Tigers have earned well-deserved recognition and justified praise. The tricky stunts and complicated routines are mastered only through constant, tireless practice. Don't believe me? Just try 'em sometime!

IHS Lifters Grab Meet Titles

First row: Roberts, Story, Secrist, Cain, Lara, Tong, mgr., Rogers, Jones, Powell. Second row: DePetrus, Stapp, Davis, Riley, Lynch, Looney, Gregory, Ponce. Third row: Pierson mgr., Stitt, Howard, T. Edwards, Love, Fain, O'Quinn, R. Roberts, Wolfe.

Organized under Coach Ryan in 1963, the Irving High weight lifting squad rapidly advanced to recognition throughout an area including Texas, Oklahoma, and Arkansas. During the '64-'65 school year the twenty-five men, coached by Coach Aubrey Wolf, that compose the top-rated squad participated in and won the team trophy in meets in Tulsa, and Little Rock. Although a team trophy was not awarded in the Sokol Meet the IHS lifters took top honors. As of press time lifters hopefully anticipated several more area meets. Since High School weightlifting is not extensively organized, Irving High lifters competed in open division meets against national ranked teams and colleges always ranking in the top places.

The DOUGLAS MacARTHUR ACADEMY of FREEDOM

BROWNWOOD, TEXAS

EXCERPT FROM A LETTER OF APRIL 17, 1962

"It is my earnest hope, as indeed it should be the earnest hope of all freedom-loving peoples, that the students who pass through the portals of this new Academy of Freedom will do so in the determined and relentless search for the means to shore up, fortify and revitalize that cherished heritage which they hold."

Douglas MacArthur

DOUGLAS MacARTHUR

For more than 200 years, Texas and Texans have been identified with thought and action directed toward the preservation of man's personal freedoms.

In keeping with this tradition, the Douglas MacArthur Academy of Freedom was established at Howard Payne College in Brownwood in the Spring of 1962.

The purpose of the Academy of Freedom is to prepare young people to understand the world in which they live . . . to instruct them in historical backgrounds . . . to give them an understanding of the governments of the various nations . . . to teach them the social and geographical environments of the peoples of the world . . . and to develop within them an appreciation of the American Heritage.

Texas Power & Light Company salutes the officials, staff and students of the Academy of Freedom and the purposes to which they are dedicated.

*For additional information about the Academy, write to:
Registrar, Howard Payne College, Brownwood, Texas.*

DALLAS MANAGEMENT DATA CENTER

from reservoirs...to report cards

Dallas Management Data Center is the region's most versatile electronic data processing and computing facility—in terms of men, machines, and software packages.

Programs currently on the air include: PETROLEUM—engineering and property management; multiple interests accounting and profit disbursement; natural gasoline and by-products processing, reservoir study, development, and control; secondary recovery planning and direction. INSURANCE—rate book data ready for reproduction; terminal reserves, cash values, mean reserves, and associated premiums; complete accounting for general insurance agencies; full-scope service ranging from back-up (to customer's in-house facilities) to total execution of all data processing and computing requirements. SECONDARY SCHOOLS—preparation of master schedules; students class assignments; grade reports and analyses; complete and accurate printed permanent records.

You are invited to call, write, or visit DMDC facilities and inquire about these and other massive data-handling and retrieval programs presently available.

To a Dear Sweet cousin. It's been great knowing you this past year I'm sure I couldn't have had a sweeter cousin. Even though you are pretty mean at times we've had some great times together, haven't we? Maybe I'll have you in some of my classes next year. I want to wish you the best of luck in the future (with boys)

I love always
